Specifications

Overview:

Get more for your money with the compact, easy-to-use, 610 mm (24-inch) HP Designjet T120 - including Wi-Fi and web connectivity, which allows you to print from virtually anywhere using a laptop, iOS device, or Android device.

Features:

Get more for your money.

- Enjoy the benefits of two printers in one: with a built tray that can take from A4 up-to +/A3 cut sheets and convenient front-loading roll you can produce prints 210 mm (8.5-inch) to 610 mm (24-inch) wide.
- Install your printer where it's most convenient and work where you want, thanks to built-in Wi-Fi connectivity.
- Save time and money: take control of your print jobs by plotting them in-house.
- Experience consistent, outstanding print quality and high productivity - Original HP inks deliver rich colours and sharp lines.

Discover how simple large-format printing can be with this compact, easy-to-use printer.

- Easily fit this printer where you need it in your workspace - at 987 mm (38.9 inches) wide it's the smallest in its class.
- The intuitive, full-colour, 109 mm (4.3 inch) touchscreen enables intuitive operation and simplifies navigation and printing.
- Complete your work quickly and accurately: accurate print previews are designed to help you print what you need on the first try. Save time and supplies knowing that what you see is what you get.

Print from virtually anywhere.

- HP Designjet ePrint & Share allows you to print to your HP Designjet ePrinter from your laptop, Apple or Android smartphone or tablet.
- Access and print large-format projects when you're away from your studio, using HP Designjet ePrint & Share.
- Automatically save copies of your work to the cloud, and access them from virtually anywhere with HP Designjet ePrint &

Share.

- Email projects to your HP Designjet T120 ePrinter and print, thanks to its web connectivity features.
