

CR-KMRG2

Kingston FCR-MRG2 microSD USB Card Reader

Product Overview

Kingston FCR-MRG2 microSD usb card reader, 25x12.1x2.6mm

Specifications

Overview:

With this mobile ready bundle, you'll eliminate the need to carry additional USB transfer cables and the typical wait for Bluetooth technology slow file transfers between phones and PCs. It also replaces your SD card adapter since the microSD/microSDHC card fits directly into the reader. When in use, the microSD/microSDHC Card Reader appears as a drive letter (i.e. E:) and data transfer is as simple as drag and drop. Use the Reader with the included Kingston microSD or microSDHC card and you'll have the storage capacity to do a variety of helpful transfers or acquire content to side load to your phone such as:

- Backing up your friends', relatives' or business contact information when you change phones
- Moving your digital music library stored on your PC for use on your phone
- Transferring a video composed on your camera phone to upload to a web site without using additional network minutes to move it there
- Downloading new mobile applications on your PC for use on your phone without using network time

Features:

- Versatile - works with microSD/microSDHC
- Compliant - Reader: with USB 2.0, and SD Specification Version 2.0
- Compliant - Card: with SD Association specification standards
- Portable - easily fits in your pocket to take it with you
- Easy - plug-and-play into any USB 2.0 or 1.1 port

Specifications:
