- Travel-Friendly: Yes

## FAQ

### How long does it take for the Sokany SK3069W steamer to heat up?

The steamer heats up in approximately 30 seconds, allowing you to start steaming quickly without waiting.

### What fabrics can this handheld steamer be used on?

It is safe for use on a variety of fabrics including cotton, silk, polyester, wool, and delicate materials. Always check the garment care label before steaming.

### How long can I use the steamer continuously?

The 125mL water tank allows for continuous steaming of about 8-10 minutes before needing a refill.

### Is the Sokany SK3069W safe to use while traveling?

Yes, its compact size and lightweight design make it travel-friendly. It also features automatic shut-off and overheat protection for added safety.

### Can it remove wrinkles from curtains and larger fabrics?

---

## ComX Computers

Product Specification Sheet

Yes, while it is most efficient for clothes, the powerful 1200W steam output can also refresh curtains and other small to medium-sized fabrics effectively.
