Specifications

About this product

The Casey 20 Litre Step On Pedal Waste Bin is a durable and practical rubbish solution designed for everyday use. Made from high quality ABS plastic, it features a hygienic step on pedal opening mechanism and a space efficient rectangular shape, making it ideal for kitchens, offices, bathrooms, or recycling areas.

Overview Summary

Casey 20 Litre Step On Pedal Waste Bin

This 20 litre waste bin offers a clean and convenient way to manage household or office waste. The step on pedal allows hands free operation, improving hygiene while making daily disposal effortless. Its rectangular profile fits neatly against walls or inside cabinets, helping maximize floor space.

Constructed from high quality ABS plastic, the bin is lightweight yet sturdy for long term use. The neutral beige and brown color scheme blends easily into modern or classic interiors, making it suitable for both residential and professional environments.

Performance tier:Everyday domestic

Uses:Kitchen waste, office rubbish, bathroom waste, recycling storage

Overview

Keep your space clean and stylish with the Casey 20 Litre Step On Pedal Waste Bin, crafted from high-quality ABS plastic for long-lasting durability. Designed to combine practicality with modern aesthetics, this rectangular bin fits perfectly in bathrooms, bedrooms, or offices-ideal for maintaining tidiness in compact spaces. Its hands-free foot pedal mechanism allows for hygienic waste disposal, while the inner bucket with handle makes emptying quick and effortless. The coated surface is resistant to wear and tear, ensuring easy cleaning and a fresh appearance over time. Whether used for rubbish or recycling, the Casey bin provides a sleek, functional, and convenient waste management solution for any room.

Description

The Casey 20 Litre Step On Pedal Waste Bin is designed to combine functionality, durability, and clean aesthetics. Its step on pedal mechanism enables smooth lid operation without hand contact, supporting better hygiene in busy environments such as kitchens and offices.

The rectangular shape allows the bin to be placed efficiently in tight spaces while still offering ample internal capacity for daily waste or recycling. Manufactured from high quality ABS plastic, it resists everyday wear and is easy to clean. Supplied in a retail box, it is ready for immediate use and supported by a 6 month warranty.
