CableTime 4K 60Hz DP to DP 1.2 Cable for Gaming Monitor, TV, PC, Laptop

Product Overview

CableTime 4K 60Hz DP to DP 1.2 Cable for Gaming Monitor, TV, PC, Laptop

Specifications

Overview summary:

Upgrade your visual experience with the CableTime 4.5m DisplayPort to DisplayPort 1.2 cable, supporting ultra-high-definition 4K video at 60Hz. With gold-plated connectors and a secure clip lock design, it ensures stable signal transmission for gaming, streaming, or professional display setups.

The long 4.5-meter length provides flexibility for wall-mounted TVs or extended PC configurations, while the soft PVC jacket prevents tangling and wear.

Accessory tier:High-performance video cable

Uses:4K home theatre, gaming monitors, conference room displays, PC-to-TV connectivity

Overview:

The DP to DP cord offers ultra-high-definition video output at 4K 60Hz, providing crystal-clear clarity and vibrant colors for stunning visuals, making it the perfect choice for home theaters.

Features:

- 4K 60Hz Video Output: Enjoy ultra-high-definition visuals with 4K resolution at 60Hz, perfect for gaming, streaming, or presentations on compatible displays.
- Secure Retaining Clip Lock: Built-in clip lock ensures a stable, uninterrupted connection between devices, preventing accidental disconnection.
- Durable PVC Jacket: Flexible and soft PVC outer layer offers enhanced durability while maintaining ease of use and tangle resistance during everyday handling.
- 24K Gold-Plated Connectors: Premium gold-plated connectors provide superior conductivity and corrosion resistance for long-lasting performance and signal clarity.

4K DP to DP Cable

With 4K 60Hz video output, our cables let you experience stunning visuals with amazing clarity and detail. Supported extended

and mirror mode. Whether you're streaming your favorite movies or playing the latest video games, it's perfect for you.

Retaining Clip Lock

Our cable features a retaining clip lock for a stable connection that won't come loose or disconnect during use. The connectors are 24K gold plated for superior durability and to ensure that your cable will last for many years to come.

Soft PVC jacket

The DP to DP 1.2 Cable 4K 60Hz has a soft and flexible PVC jacket that allows for easy handling and won't tangle or bend. This means you can easily bend and move the cable without worrying about damaging it or interfering with your display.
