

CT-CM240-ZS02

CableTime Fast 240W USB-C Charge Cable 2M for iPhone 15 Pro Max

Product Overview

CableTime PD240W Fast 240W USB-C Charge Cable 2M for iPhone 15 Pro Max. Quick Specs: 240W USB-C cable, 2 meters, PD 3.1 & QC 4.0 support, E-MARK chip, 480Mbps data, zinc alloy shell, orange silica gel jacket, USB-C to USB-C, compatible with iPhone 15 Pro Max, MacBook, iPad, USB-C laptops

Specifications

Overview summary:

Charge smarter and faster with the CableTime CT-CM240-ZS02, a 2 meter USB-C to USB-C fast charging cable capable of delivering up to 240W power output. Engineered with a built-in E-MARK chip, it ensures intelligent, safe, and efficient charging for your iPhone 15 Pro Max, MacBook, iPad, and other USB-C devices.

The zinc alloy silver shell adds durability while the orange silica gel jacket enhances flexibility and comfort. With support for PD 3.1 and QC 4.0, and 480Mbps data transfer speed, it's built for both power and performance. Perfect for workstations, travel, or home use.

Device tier:High-performance USB-C charging cable

Uses:Fast charging, data syncing, USB-C device support

Product highlights:

- Max Charging Output: 240W (48V/5A), supports PD 3.1 & QC 4.0
- Data Transfer Rate: 480Mbps (USB 2.0)
- Connector Type: USB-C male with E-MARK chip
- Cable Length: 2 meters
- Build: Zinc Alloy shell with orange silica gel jacket
- Durability: Rated for over 30,000 bends
- Compatibility: iPhone 15, MacBook, iPad, Dell, HP, Lenovo, Samsung, Google Pixel, more

ComX Computers

Product Specification Sheet

Experience the future of charging with 240 W USB-C charge cable. Built in the E-MARK chip ensures secure and fast charging. Data transfer rates up to 480 Mbps. The fusion of a Zinc Alloy Silver shell with an orange silicone jacket offers a perfect blend of style and comfort. Perfect for all your USB C devices. Upgrade your charging experience today!

Get super fast charging with Cabletime 240W usb c to usb c fast charging cable. Designed for high efficiency, it delivers up to 240W of power with a 5A/48V output. The nickel-plated connector with E-MARK chip ensure safe and stable charging.

The cable's zinc alloy sheath and silica gel jacket offer durability and comfort. With a data transfer rate of 480Mbps, synchronising files is faster than ever.

Features:

- 240w USB C to USB C cable
- Max Fast charging up to 240w, support PD 3.1 and QC 4.0 technology
- E-MARK Chip for intelligent and safe charging
- Durable zinc alloy shell
- Silica Gel jacket for a better grip and over 30,000 bends.
- Fast 480Mbps data transmission
- Ideal for MacBook, iPhone 15, iPad, and other USB-C devices.

240w USB-C Charge Cable

With PD 3.1 and QC 4.0 fast charging technology, Cabletime USB C quick charge cable supports an impressive 240W (48V/5A) output. It swiftly charges an iPhone 15 to 85%, a MacBook Pro to 88%, and an iPad Pro to 92% in under 35 minutes. Additionally, it's compatible with USB-C Power Delivery adapters ranging from 30W to 140W, ensuring a wide range of devices can be charged efficiently and safely.

Equipped with E-MARK Chip

This USB C to USB C cable fast charge is engineered with an E-MARK chip that smartly adjusts to the optimal current for your devices. Combined with OTP (Over-Temperature Protection), it ensures a fast yet safe charging experience, protecting both the cable and your devices during power delivery

480Mbps Data Transmission

Compliant with USB 2.0 standards, Cabletime USB C quick charge cable guarantees a fast data transfer rate of 480Mbps, so you can sync your devices quickly and securely.

Durable and Comfortable

The zinc alloy shell and silica gel jacket combine strength with elegance, providing a cable that's both robust and comfortable to use. Engineered to endure, it has passed over 10,000+ plug tests and 2,000+ bending tests, guaranteeing durability for long-term use.

One Cable for All USB C devices

Expertly designed, our usb c charge cable caters to all your USB-C needs. It's the perfect match for a diverse array of devices, from everyday phones and tablets to high-end laptops like MacBooks, as well as Samsung smartphones and tablets, Google Pixels, and even gaming devices like the Nintendo Switch. Enjoy one cable that connects them all with ease and reliability.

Widely Compatible:

- Apple: MacBook Air/Pro 13-inch M1, 2021 MacBook Pro 14-inch, 16-inch (M1 Pro & Max), 2020/2019/2018/2017/2016 MacBook Pro, 2020/2018 MacBook Air, Mac mini M1, iMac M1, 2019/2017 iMac, iMac Pro, 2015/2016/2017 MacBook, iPhone 15 series.
- Dell: XPS 15/13, Inspiron 5000/7000, Inspiron Gaming 7000, AlienWare 13/15
- Microsoft: Surface Laptop 3, Surface Pro 7/Go
- Google: PixelBook Go, ChromeBook
