CTS-SX20-PHD4X-K9

Cisco TelePresence SX20 Quick Set, 4x PHD Camera's, 1x Mic, 1x Remote

Product Overview

Cisco SX20 Quick Set HD, NPP, 4x PHDCam, 1 mic, remote cntrl

Specifications

Overview:

The Cisco TelePresence SX20 Quick Set (SX20 Quick Set) can transform any flat panel display into a sleek and powerful telepresence system. The SX20 Quick Set is designed to deliver high definition video and multiparty conferencing with the flexibility to accommodate various room size and configurations - all at a value price. The SX20 Quick Set supports embedded capability for multipoint support with Cisco TelePresence MultiSite technology, enabling users to add three additional participants to a telepresence call.

SX20 Quick Set combines a powerful codec, Premuim resolution of 1080P, three camera choices, and a dual-display in an easy-to-deploy and easy-to-use solution. Whether you're a small business just getting started with telepresence or a large enterprise looking to expand your existing deployment, the SX20 Quick Set delivers the performance you would expect from more expensive systems - in a compact and feature-rich package. Cisco TelePresence SX20 Quick Set is designed to truly extend the power of in-person to everyone, everywhere.
