About this product

The Corporate Traveller 15.6" Laptop Backpack is a premium travel companion designed for professionals who demand protection, comfort, and organization on the go. With SafePort x D3O shock absorption, expandable storage, and a durable military-grade build, it offers the perfect balance of style and practicality for daily commuting or business travel.

Overview Summary

Performance tier: Executive / Professional

Uses: Business travel, commuting, work, meetings, conferences, and daily laptop protection.

Description

The Corporate Traveller 15.6" Laptop Backpack is engineered for business professionals who value both function and protection. Constructed from durable, water-resistant 1680D ballistic nylon, it shields your devices and documents from daily wear and the elements. Inside, the SafePort x D3O system delivers superior drop and side-impact protection for your laptop, using advanced polymer technology that absorbs and dissipates shock.

Its expandable 27L to 30L storage capacity provides room for all your essentials, while multiple compartments help keep your items organized. A dedicated file section, zip-down workstation, tablet pocket, and removable accessory pouch ensure everything has its place. Dual water bottle pockets and lockable zippers add extra convenience and security for business travel.

Designed for comfort, the molded air mesh back panel and contoured shoulder straps with an adjustable sternum strap ensure balanced weight distribution, reducing strain during long commutes or airport travel.
