CipherX U10 Pro Series 64GB USB 3.0 Flash Drive

Product Overview

CipherX U10 Pro Series 64GB USB 3.0 Flash Drive, 150MB/s Read Speed

Specifications

Overview Summary:

The CipherX U10 Pro Series 64GB USB 3.0 Flash Drive is a simple and reliable way to store and move your important files. With fast read speeds of up to 150MB/s, it helps you save time when copying documents, photos, videos, and software between devices. Its compact design makes it easy to carry wherever you go.

Ideal for work, study, or home use, this USB flash drive offers dependable performance for everyday storage needs. Plug it into compatible laptops, desktops, or other USB devices and get started instantly. Shop now and enjoy quick, convenient portable storage you can trust.

Performance tier: Mid-range

Uses: File storage, data transfer, backups, document sharing, media storage

Overview:

CipherX U10 Pro Series 64GB USB 3.0 flash drive is designed for users who need fast, reliable, and portable storage for everyday digital tasks. Built for speed and convenience, it delivers quick data transfers, smooth performance, and dependable storage capacity, making it ideal for work, study, travel, and personal backups.

Description:

The CipherX U10 Pro Series 64GB USB 3.0 flash drive combines high-speed data access with compact portability, offering up to 150MB/s read speed for faster file transfers. Its USB 3.0 technology ensures efficient performance across compatible devices, while the 64GB capacity provides ample space for documents, photos, videos, and software files. Designed for durability and daily use, it delivers a dependable storage solution for professionals, students, and everyday users.

Features:

High-speed performance for daily use
With USB 3.0 connectivity and up to 150MB/s read speed, this flash drive significantly reduces waiting time when transferring large files, making it perfect for productivity, media storage, and quick backups.

Reliable portable storage
The 64GB capacity offers practical space for essential files, allowing you to carry your important data wherever you go without relying on cloud access or internet connectivity.

Designed for compatibility and convenience
The CipherX U10 Pro Series is compatible with a wide range of USB-enabled devices, including laptops, desktops, smart TVs, and multimedia systems, making it a versatile storage companion.

Why choose the CipherX U10 Pro Series USB flash drive

- Fast USB 3.0 performance for smooth data transfers
- Up to 150MB/s read speed for efficient workflow
- 64GB storage capacity for everyday digital needs
- Compact and portable design for easy transport
- Suitable for work, school, travel, and home use

This USB flash drive is a practical solution for anyone seeking speed, portability, and dependable performance in a compact storage device.
