HP Officejet Mobile Car Adapter

Product Overview

HP Officejet Mobile Car Adapter

Specifications

Overview:

Enjoy the convenience of printing on the go without the worry of running out of power. Don't wait until you reach your destination to charge your printer - plug in while you drive and print up to 500 pages on a fully-charged lithium ion battery. Now you don't have to wait till you find a power point to charge your mobile printer. With this versatile vehicle power adapter, simply plug in to your vehicle's cigarette lighter and recharge your mobile printer on the go.
Designed to complement your mobile lifestyle, this slim-profile adapter is easy to transport - just throw it in your bag and go.
