

DC-8252

Microworld DC-8252 550ml Essential Oil diffuser

Product Overview

Microworld DC-8252 550ml Essential Oil diffuser, Ultrasonic vibration, Humidification, Aromatherapy, 5 microns ultrasmall particle, 2.4MHz ultrasonic Frequency, 7 Colour LED

Specifications

Overview:

It can be effective when treating dryness of the skin, nose, throat and lips, easing some of the symptoms caused by the flu or common cold.

This humidifier can also freshen up a room when essential oils are used. These oils are kept in their purest form as they are not burned or heated. It's whisper-like adjustable mist output, and decorative design with a wood-finish ensures that any room from an office, home, yoga studio always smells fresh and inviting.

It also has 7 colour changing LED lights which can be set according to your preferences, adding to the mood or atmosphere of any room. You can either have the colours set on a cycle or you can select your favourite colour to always be on, whilst also adjusting the brightness.

To ensure the safety and longevity of this humidifier, it has an automatic waterless shut-off feature, however, it is advised that one uses bottled water as opposed to tap water when filling the 300ml tank.
