Compact Size for any business space

Maximize your space with a compact-sized printer, perfect for both home and business environments. Our DCP-T830DW's small footprint of 390mm(w) x 343mm(d) x 148.5mm(h) fits easily on any desk or workspace, freeing up valuable room while delivering powerful performance. Enjoy all the functionality you need without compromising on space or efficiency.

High Capacity Paper Tray

With a high paper input capacity of 230-sheets (150-sheet paper cassette and 80-sheet MP tray), enjoy versatile and flexible media options for printing, while keeping your paper protected from moisture and dust, ensuring it stays flat and free from curling with our covered paper tray. This feature enhances print quality and reliability, making your printing experience smooth and hassle-free.

Precise and hassleless refilling

Experience the convenience of a front access ink tank with spill-free, mess-free, and precise refilling technology. Easily monitor and refill ink levels without hassle, ensuring clean and accurate refills every time.

Brother at your side support

Wherever you are, Brother offers comprehensive product support within the Warranty period, ensuring your printer runs smoothly with expert assistance. Benefit from an extended Warranty period, giving you peace of mind and confidence in a reliable, long-term printing solution tailored to your business needs.

Simple and fuss free wireless connectivity

Boost productivity, flexibility, and convenience with both wireless and wired connectivity options. Whether for personal or business use, enjoy the freedom to print effortlessly from any device without cables, or choose a stable wired connection for high-speed, reliable printing. Stay connected and manage tasks seamlessly from anywhere in your home or office.

Peak productivity, reduced paper wastage

Save time and reduce paper usage with automatic duplex printing. Effortlessly print on both sides of the page, boosting efficiency and lowering costs, while maintaining a professional and eco-friendly approach for all your printing tasks

Longevity usage with Brother

Enjoy peace of mind with a printer built for home and SOHO use-lasting up to 5 years or 30,000 pages (which ever comes first). With its long lifespan, you can focus on your tasks without frequent interruptions, making it a reliable partner for all your daily printing needs

Reduce refill with large page yield

Achieve more with an ultra-high page yield of up to 7,500 pages for black and 5,000 pages for color. This reduces the frequency of ink replacements, saving time and costs while ensuring consistent, high-quality prints for both home and business users.
