D-Link ShareCenter Shadow 2-Bay Network Storage

Product Overview

D-Link 2-Bay Network Storage, D-Link Share Center Shadow High Performance with Gigabit Ethernet Connectivity and 1.2GHz CPU Manage Users and Groups with Quotas and Read/Write Permissions, DLNA Certified Media Server, Power Management for Conserving Energy Media Server, Print Server, FTP Server, Download Server, Web File Server, Backup Center, Download Center, Audio Streamer, Blog Photo Center, , No drives included

Specifications

Features:

- Blog: Create and host your own customized Blog from your ShareCenter device. Access and comment on it from anywhere you have an Internet connection.
- Logitech Squeeze Center: Connect your Logitech Media Squeezebox player to your ShareCenter and play endless hours of music files stored on your deivce.
- Audio Streamer: Stream music throughout your home. The Audio Streamer allows you to transmit multiple streams of audio to any device with an Internet connection, whether it be your computer, TV or tablet.
- Photo Center: Are you tired of sending individual photos through email? The ShareCenter Photo Center app provides a convenient interface from which you can create and share photo albums with friends and family easily over the web.
- D-Link Green: This product allows hard drives to enter sleep mode when not in use to conserve electricity and prolong the life of the hard disk. Plus, it uses recyclable packaging and complies with the European Union's RoHS directive.
- AjaXplorer: AjaXplorer is a file explorer that allows you to remotely manage your files using a web browser. Stay protected - anywhere, anytime.
- Not to worry, Mac users! ShareCenter can back up your data regardless of your computer's operating system (Windows, Mac or Linux).
- Support for: AFP (MAC) / Time Machine (MAC) / NFS (Linux)
- Easy Setup: Not quite the handyman? That's ok. You can insert an addutional hard drive without using any tools or attaching any cables.
- Backup Software: The included feature-rich backup software allows you to create schedules and rules including full or incremental backups.
- D-Link Easy Search Utility: The D-Link Easy Search Utility allows you to locate your ShareCenter from anywhere on the network and map your network drive so it will conveniently appear in "My Computer" on your PC.
- 10/100/1000 Gigabit Port: The 10/100/1000 Gigabit Ethernet port gives you blazing fast speeds so you can back up and access your data without the wait.

- Cooling Fan: There's no overheating in this device's future. It comes with a quiet, built-in cooling fan that only comes on when needed, saving you power and money.
- DLNA Server: This ShareCenter device has a built-in media server that can stream your photos, music and videos to all of the computers in your home and to compatible media players like Boxee Box, Xbox and PlayStation 3 so you can enjoy it all on your TV.
- Web File and FTP Server: For flexible usage, the DNS-325 includes features such as a built-in FTP server to access files over the Inter
- USB Print Server Port: This storage device can also serve as a USB print server, allowing you to share a single USB printer over your network. The USB port can also support a Universal Power Supply (UPS) monitor that supports 'smart' signaling over a USB connection. If a power outage were to occur, the compatible UPS monitor would allow the UPS unit to safely shut down the ShareCenter.
- RAID 1 Technology: RAID 1 is like a backup for your backup. It causes the drives in your storage device to mirror each other, so if one drive fails the unaffected drive will continue to function until the failed one is replaced.

Specifications	
CPU	1.2GHz
	256MB RAM
Standards	IEEE 802.3 10Base-T Ethernet
	IEEE 802.3u 100Base-TX Fast Ethernet
	IEEE 802.3ab 1000Base-T Gigabit Ethernet
	Support Hard Drive Type
	3.5" Internal SATA Hard Drive
Ports	1 x 10/100/1000 Gigabit Ethernet Port
	1 USB Port
	Power
Drive Management	Four Different Hard Drive Configurations (RAID 0, 1, JBOD, Standard)
	Drive Status with E-mail Alerts
	Drive Quotas
	Power Management
Device Management	Internet Explorer v6 or other Java-enabled Browsers
LEDs	Power
	LAN
	HDD 1
	HDD 2
Certifications	FCC Class B
	CE
Power Supply	External Power Supply
	DC 12V / 4A Switching
Power Consumption	Normal Mode: 15.7 W
	Sleep Mode: 8.2 W

Power Management	Power Saving
	Schedule Power Off
	Auto Power Recovery Support
Operating Temperature	0º to 40º C
Operating Humidity	10% to 95% Non-Condensing
Dimensions (W x D x H)	Item: 104mm x 198mm x 132mm
	Packaging: 207.77mm x 277.88mm x 183.90mm
Weight	1.90kg
Minimum System Requirements	Computer with:
	1GHz Processor
	512MB RAM
	200MB of Available Hard Disk Space
	Windows 7, Windows Vista or Windows XP SP2
	CD-ROM Drive to View Product Documentation and Install Software
Package Contents	ShareCenter 2-Bay Network Storage with USB Printer Port
	Power Adapter
	Ethernet Cable
	Quick Installation Guide
	CD ROM with:
	Installation Wizard
	Product Documentation
