Overview:

Epson WorkForce DS-1630 A4 Colour Flatbed Scanner - Detailed Specifications

The Epson WorkForce DS-1630 is a versatile A4 flatbed scanner designed for both home and office use. It delivers sharp, high-quality scans with an optical resolution of 600 x 600 dpi for the automatic document feeder (ADF) and 1200 x 1200 dpi for glass scanning. Featuring ReadyScan LED technology, it provides fast, efficient scanning without the need for warm-up time.

This model offers a scanning speed of up to 25 pages per minute for both color and monochrome documents. With a robust automatic document feeder capacity of 50 pages and duplex scanning for double-sided documents, it supports a daily scan volume of up to 1,500 pages. Connectivity is seamless via USB 3.2 Gen 1x1 for high-speed data transfer.

Features:

Key Features and Benefits of the Epson WorkForce DS-1630

Compact Design for Any Workspace

Boasting the smallest footprint in its class, the DS-1630 fits easily into tight office spaces, whether at the front desk or in a back office. Its compact size makes it a practical choice for environments where space is at a premium.

Versatile Document Scanning

This scanner can handle a wide variety of documents, including books, bound files, passports, and fragile materials, thanks to its flatbed design. It's ideal for businesses or individuals needing to digitize different types of media without damage.

Intelligent Image Processing

Epson's advanced image processing technology ensures your scans are always clear and professional. Features like auto cropping, skew correction, blank page removal, and background cleaning help produce clean, readable documents without extra effort.

High-Speed Performance

With a scan speed of 25 pages per minute, this scanner ranks among the fastest in its category. The USB 3.0 interface maintains fast data transfer rates, even when scanning at high resolutions such as 300 dpi, preventing any lag during heavy workflows.

Enhanced Productivity with Duplex Scanning

The DS-1630 supports double-sided scanning, allowing you to scan both sides of a document in one pass. Combined with Epson's software that enables dual image output, you can scan once and send images to two different locations, saving time and effort.

Additional Features to Improve Workflow

- Long Document Scanning:Scan documents up to 3 meters (3048mm) in length, perfect for banners, receipts, and other lengthy papers.
- One-Touch Scanning:Easily scan documents directly to folders, email, or cloud storage services with simple button controls.
- Robust Build:Designed to handle a daily workload of up to 1,500 pages, making it suitable for busy office environments.
