covering for electronics

Overview:

Hikvision Protective Shield for DS-K1T344 Series Face Recognition Terminal
The Hikvision Protective Shield is designed to enhance the durability and safety of your DS-K1T344 Series Face Recognition Terminal. This accessory provides reliable protection against physical damage while maintaining the device's sleek and modern appearance. Its precise fit ensures the terminal remains fully functional without compromising facial recognition performance. Ideal for both office and industrial environments, this shield safeguards your investment while supporting seamless operation.

Description:

This protective shield is crafted from high-quality SGCC steel, offering robust defense against scratches, impacts, and everyday wear. It is lightweight at 210 g (0.463 lb), making installation effortless without adding bulk. The shield's dimensions-178.08 mm x 85 mm x 42.06 mm (7.01" x 3.35" x 1.66")-are perfectly tailored for the DS-K1T344 series, ensuring a snug and secure fit. Users benefit from a durable, low-maintenance solution that preserves the terminal's functionality and aesthetic appeal.

Features:

Key Benefits

- Strong and durable protection against physical damage
- Lightweight design for easy installation and handling
- Precision fit ensures no interference with facial recognition
- Maintains the terminal's clean, professional look

Technical Details

- Dimensions: 178.08 mm x 85 mm x 42.06 mm (7.01" x 3.35" x 1.66")
- Net weight: 210 g (0.463 lb)
- Material: SGCC steel, corrosion-resistant and long-lasting

This protective shield combines reliability and convenience, making it an essential accessory for extending the lifespan of your Hikvision DS-K1T344 face recognition terminal.
