DS-KAB502-S1

Hikvision Protective shield for DS-K1T502 series

Product Overview

Hikvision protective Shield for DS-K1T502 Series, Protective cover for DS-K1t341a/c and DS-K1T342 Series Face Recognition terminals

Specifications

Overview Summary:

Enhance the durability of your Hikvision DS-K1T502 series access control terminals with the DS-KAB502-S1 protective shield. Designed to safeguard against dust, scratches, and minor impacts, this high-quality cover ensures your device remains in optimal condition, even in high-traffic environments. Its easy installation process allows for quick setup without hindering device functionality. Ideal for both indoor and outdoor applications, this protective shield is a must-have accessory to extend the lifespan of your face recognition terminals. Buy now to keep your equipment protected and performing at its best.

Performance tier: Essential accessory

Uses: Protecting access control terminals, safeguarding face recognition devices, enhancing device longevity, maintaining device aesthetics, reducing maintenance needs

Overview:

Hikvision Protective Shield for DS-K1T502 Series Terminals
The Hikvision Protective Shield is specifically designed for DS-K1T502 series terminals, as well as DS-K1T341A/C and DS-K1T342 face recognition terminals. This durable cover safeguards your devices against dust, scratches, and daily wear, extending the lifespan of your access control system.

Description
This protective shield offers reliable coverage for Hikvision face recognition terminals, ensuring long-lasting device performance. It is easy to install, fits perfectly with supported terminal models, and provides additional protection without obstructing functionality. Ideal for offices, commercial spaces, and high-traffic areas, it helps maintain your devices in pristine condition while supporting seamless operation.

Features:

Technical Specifications

- Compatible with DS-K1T502, DS-K1T341A/C, and DS-K1T342 series terminals
- Protects terminals from dust, scratches, and minor impacts
- Durable, high-quality material for long-term use
- Easy installation without interfering with device operation

Benefits of Using a Protective Shield

- Extends the life of your face recognition terminal
- Maintains aesthetic appearance and device functionality
- Reduces maintenance costs by minimizing damage
- Enhances device reliability in high-traffic environments

Optimize your Hikvision terminals with this essential protective shield, designed for durability and reliable performance in any setting.
