DSP-WIN11-64

Microsoft Windows 11 Home 64-bit - DVD - DSP

Product Overview

Microsoft Windows 11 Home 64-bit - DVD - DSP

Specifications

Microsoft Windows 11 Home 64-bit DSP DVD Licence (SKU DSP-WIN11-64)

- License: Microsoft Windows 11 Home Edition - 64-bit DSP
- Licence Type: DSP (Delivery Service Partner) / OEM-style licence
- Media: DVD installation media included

About this licence

For use with new PCs and home/small business computers

This DSP licence provides the full Microsoft Windows 11 Home Edition operating system for 64-bit PCs. It must be bundled with a new PC and is not transferable once installed. The package includes a DVD for installation, making it suitable for immediate setup on compatible devices.

Use Case

Ideal for desktops and laptops for home users or small business computers that require a modern, secure, and easy-to-use operating system. DSP licences are bundled with a new device and cannot be installed independently on other machines.

Important notes

- DSP Licensing: Must be bundled with a new device; not transferable once installed.
- Media: DVD installation media included.
- Compatibility: 64-bit PCs only; TPM 2.0 required for Windows 11.
- Upgrade Options: Some Windows 11 Professional features are not available in Home edition.

Features

Windows 11 Home provides a complete set of features for home and small business computing, including device encryption, firewall protection, parental controls, Windows Hello, and Microsoft Store access. It supports modern security, productivity, and entertainment functions.
