connectivity, a pull-up 5MP webcam and multiple USB ports for flexible connectivity. Its sleek all-in-one design reduces desk clutter while keeping performance high. Buy now and shop online for a dependable HP desktop PC suited for modern work environments.

Performance tier:Mid-range business productivity

Uses:Office work, remote work, video conferencing, business applications, admin tasks, multitasking, internet browsing, document management

Overview:

HP ProOne 240 G10 23.8 Inch All-in-One PC Review and Business Desktop Solution

The HP ProOne 240 G10 All-in-One PC delivers reliable business performance in a clean, space-saving design built for modern offices, home workspaces, and professional users. Powered by the Intel Core Ultra 5 125U processor, this sleek 23.8-inch Full HD desktop combines productivity, connectivity, and everyday efficiency into a single compact system.

Designed to handle multitasking with ease, the HP ProOne 240 G10 includes 8GB memory, a fast 512GB PCIe SSD, and Windows 11 Pro for enhanced productivity and security. The slim white chassis with a three-sided micro-edge display gives it a modern professional appearance while reducing desk clutter.

Description:

The HP ProOne 240 G10 AiO PC is built for professionals who need dependable computing performance in a streamlined setup. Equipped with a 23.8-inch IPS Full HD display, Intel Core Ultra 5 processing power, fast SSD storage, Wi-Fi 6 connectivity, and integrated collaboration tools including a 5MP pull-up webcam and dual microphones, this all-in-one desktop is ideal for business environments, remote work, video conferencing, administration, and daily office productivity. Part number D10FDET combines modern performance with a compact design that fits comfortably into any workspace.

Features:

Built for Everyday Productivity

Whether you are managing spreadsheets, attending online meetings, handling business applications, or working across multiple browser tabs, the Intel Core Ultra 5 125U processor provides efficient performance for demanding daily tasks. The hybrid core architecture improves responsiveness while maintaining power efficiency.

Key hardware highlights include:

- Intel Core Ultra 5 125U Twelve-Core processor
- Turbo Boost speeds up to 4.3GHz
- 12MB Intel Smart Cache
- 8GB DDR4-3200 memory
- 512GB M.2 PCIe solid state drive
- Windows 11 Pro 64-bit operating system

The SSD storage significantly improves boot times, application loading, and overall system responsiveness compared to traditional hard drives.

Modern 23.8 Inch Full HD IPS Display

The 23.8-inch IPS display offers clear visuals and wide viewing angles, making it suitable for collaborative workspaces and extended productivity sessions. With Full HD 1920 x 1080 resolution, users benefit from sharp text, improved detail, and comfortable viewing for office applications, video calls, and media consumption.

The slim micro-edge design also gives the system a cleaner and more premium appearance while maximizing screen space.

Professional Design That Saves Desk Space

One of the biggest advantages of the HP ProOne 240 G10 is its all-in-one form factor. By integrating the computer directly into the display, HP reduces cable clutter and frees up workspace compared to traditional desktop tower setups.

The elegant white finish gives the system a professional look suitable for:

- Corporate offices
- Reception areas
- Remote workstations
- Educational environments
- Small business workspaces

Included in the package are the HP 125 wired keyboard and wired mouse, allowing quick deployment straight out of the box.

Enhanced Video Conferencing Experience

The HP ProOne 240 G10 is designed for modern hybrid work environments where online collaboration is essential. The integrated 5MP pull-up webcam and dual-array microphones help deliver clear communication during meetings and virtual conferences.

Video collaboration advantages include:

- 5MP retractable privacy camera
- Integrated dual-array digital microphones
- Reliable audio capture for meetings
- Cleaner professional conferencing setup

The pull-up camera design also improves privacy when the webcam is not in use.

Fast Connectivity and Expansion Options

Connectivity is an important part of any business desktop, and the HP ProOne 240 G10 provides multiple modern ports for peripherals and networking.

Available connectivity includes:

- 1 x USB Type-C 5Gbps
- 2 x USB Type-A 5Gbps
- 2 x USB 2.0 Type-A
- 1 x HDMI 1.4
- 1 x Gigabit LAN
- 1 x headphone and microphone combo jack
- Wi-Fi 6 support
- Bluetooth connectivity

These options make it easy to connect external displays, storage devices, accessories, and network infrastructure.

Windows 11 Pro for Business Users

Running on Windows 11 Pro, the HP ProOne 240 G10 provides enhanced productivity tools, business-grade security, and improved multitasking features. Users benefit from a modern interface optimized for both office and hybrid work environments.

Windows 11 Pro advantages include:

- Advanced security management
- Better multitasking tools
- Enhanced collaboration functionality

ComX Computers

Product Specification Sheet

- Business-focused administration support
- Improved compatibility with professional applications

HP Support Assistant also simplifies system maintenance and software updates, helping reduce downtime and IT management effort.

- Model: HP ProOne 240 G10
- Part Number / SKU: DTHPD10FDET
- HP Code: D10FDET
- Display Size: 23.8 Inch IPS
- Resolution: Full HD 1920 x 1080
- Processor: Intel Core Ultra 5 125U
- Memory: 8GB DDR4-3200
- Storage: 512GB PCIe SSD
- Graphics: Integrated Intel Graphics
- Operating System: Windows 11 Pro 64-bit
- Connectivity: Wi-Fi 6 and Bluetooth
- Power Adapter: 90W External Adapter
- Colour: White

Why Choose the HP ProOne 240 G10 All-in-One PC

The HP ProOne 240 G10 offers an excellent balance between performance, professional aesthetics, and workspace efficiency. Its compact all-in-one design, modern Intel Core Ultra processor, fast SSD storage, and integrated collaboration tools make it a strong choice for business users seeking a dependable desktop solution without unnecessary complexity.

For offices upgrading older desktop systems or professionals building a cleaner workspace, the HP ProOne 240 G10 D10FDET provides strong value with modern computing capability.
