DTL+/8GB

Kingston 8GB USB 2.0 Flash Drive

Product Overview

Kingston 8GB USB 2.0 Hi-Speed DataTraveler Locker+ w/Encryption

Specifications

Overview:

Kingston's DataTraveler Locker USB Flash drive series is designed for people and organisations that require a secure way to store and transfer portable data. It features hardware-based encryption and two zones, public and encrypted, to safeguard even the most sensitive data in case the drive is lost or stolen. A swivel design for ease of use with capacities up to 32 GB. The DataTraveler Locker series is also a great promotional item for businesses; your company logo can appear on it to increase your brand recognition.

Features:

- DT Locker - Two partitions - public or encrypted zone access (includes DT Encryptor security software for Windows to access encrypted zone); zone size user customizable.
- DT Locker+ - 100% Encrypted Zone only
- Secure (Privacy Zone) - drive locks down and reformats after 10 intrusion attempts.
- Easy to use - no admin rights or application installation required
- Customizable - Personalisation program available
