

DXP2800-25369

Ugreen NASync DXP2800 2 bay NAS

Product Overview

Ugreen NASync DXP2800 2 bay NAS, UGOS Pro Operating System, Intel N100 CPU, 8GB DDR5 Memory (RAM), eMMC 32GB Flash Memory (System disk), 2x 3.5" SATA Drive bays, 2x M.2 SSD Drive slots, 1x 2.5GbE LAN Ports (RJ45), 1x Type-C (10Gb/s), 1x USB Type-A (10Gb/s), 1x USB Type-A (5Gb/s), 2x USB Type-A (480MB/s), 4K HDMI Resolution

Specifications

Overview:

Designed to empower seamless collaboration, high-speed access, and enterprise-level data security, the UGREEN NASync DXP2800 2 Bay NAS is a purpose-built solution for professionals and teams managing large, mission-critical files across networked environments.

As a dedicated network-attached storage (NAS) system, this device enables users across the same network, whether in a creative agency, architecture firm, remote working setup, or IT department, to access, store, and collaborate on data continuously and securely. The centralised storage model eliminates file version conflicts and bottlenecks, ensuring that teams operate from a single source of truth.

Built on a powerful 12th Gen Intel N100 processor with 4 cores and 4 threads, the UGREEN NASync DXP2800 2 Bay NAS delivers responsive multi-user performance. The 8GB DDR5 RAM is expandable to 16GB, allowing smooth operation of multiple applications and services, including private cloud hosting, AI-driven media sorting, and virtualisation environments.

With two SATA bays supporting up to 24TB each, two M.2 NVMe slots for high-speed caching, this NAS provides up to 64TB

of scalable storage. Advanced RAID configurations (JBOD/Basic/0/1) and a robust thermal system protect your data while maintaining system stability.

The high-speed LAN port (2.5GbE) enables ultra-fast data transfers, while front and rear USB ports simplify external backups and file imports. UGOS Pro, UGREEN's user-friendly OS, supports cross-platform access and intuitive data management, ensuring your workflow remains uninterrupted, no matter the device or operating system.

For businesses and creators needing always-available, high-capacity storage, the UGREEN NASync DXP2800 2 Bay NAS is the ideal foundation for a modern, collaborative data ecosystem.

Features:

- Powered by Intel X86 12th Generation N Series with 4 cores and 4 threads for efficient multitasking
- Supports up to 64TB storage via 2 SATA bays and dual M.2 NVMe slots
- High-speed LAN port (2.5GbE) for ultra-fast data access and low-latency performance
- Includes 8GB DDR5 RAM, expandable up to 16GB for demanding workloads
- Intelligent RAID support (JBOD/Basic/0/1) enables robust data protection and flexible storage strategies
- UGOS Pro operating system offers intuitive storage management and private cloud capabilities
- Cross-platform access via Windows, macOS, Android, iOS, and web browsers
- AI-powered photo recognition streamlines media organisation for content creators
- Type-C (10Gbps), USB-A, and SD 3.0 card reader for direct, high-speed file transfers
- HDMI output with 4K support for real-time media preview and local display integration
- Efficient thermal design with 140mm fan ensures stable operation under heavy loads
- Compact, modern chassis designed for desktop deployment in creative or office environments

WHAT'S IN THE BOX:

- UGREEN NASync DXP2800 2 Bay NAS x1
- User Manual x1
- SSD Silicone Pads x2
- Hard Drive Tray Keys x2
- Screws & Screwdriver x1
- Ethernet Cable (CAT 7) x2
- Power Adapter (DC 12V/5A) x1

Specifications	
Product Code	DXP2800-25369
Drive Bays	2-Bay (SATA)
Operating System	UGOS Pro
CPU Model	N100
CPU Brand & Architecture	Intel X86 12th Generation N Series 4 Cores 4 Threads
Memory (RAM)	8GB DDR5
ODECC	Supported
Expandable RAM (max)	16GB
Flash Memory (System Disk)	eMMC 32GB

ComX Computers

Product Specification Sheet

SATA Drive Bays	2
M.2 SSD Drive Slots	2
RAID	JBOD/Basic/0/1
Maximum Storage	60TB (2x 24TB + 2x 8TB)
LAN Ports (RJ45)	1x 2.5GbE
USB Ports (Front Panel)	1x Type-C, 1x USB-A (both 10Gb/s)
USB Ports (Rear Panel)	1x USB-A (5Gb/s)
USB 2.0 (Rear Panel)	2x USB-A (480Mb/s)
HDMI Resolution	4K
Product Dimensions	23.09 x 10.9 x 16.94 cm
