Thermaltake Battle Dragon 2015 Edition Backpack - 350 x 570 x 250mm

Product Overview

Thermaltake Battle Dragon 2015 Edition Backpack - 350 x 570 x 250mm

Specifications

Overview:

Tt eSPORTS Battle Dragon Backpack 2015 Edition designed for Professional gamers. With the complete structure design and amazing products appearance, it allows gamers to carry all their gaming accessories everywhere and don't have to worry about them getting lost or damaged!

Features:

PROTECTIVE INTERNAL AND EXTERNAL DESIGN

The New Battle Dragon backpack was made with a combination of polyester and tightly woven robust nylon which provides durable and hard-wearing exterior to protect your gaming gears. It has different sections within the bag for storing all the bits and pieces. Its water-resistant, scratch and tear-proof exterior effortlessly protects your gear as you take on the perils of everyday life. The large space allows gamers to have all their gaming weapons in this backpack ready and carry out for an intense battle!

CARRY WITH COMFORT BY EXTRA PADDED SUPPORT

The backpack is very well padded so it will provide a good level of protection to the gaming accessories you carry within. A nice strap to carry the backpack messenger-style is clipped on to the side of the backpack with its own extra padded support for your shoulder!

MULTIFUNCTIONAL WITH INTERCHANGEABLE STYLE

The Battle Dragon backpack has a simple system which allows you to use it as messenger style with handles on both the top and side. In addition, the detachable shoulder straps allows you to convert it to a backpack by unzipping all the way around the back of the bag, rolling up the flap and securing it with the Velcro at the top!

EXTREME STORING

There are two zipped pockets which are perfect for storing other items. These compartments allow you bring more important accessories to the battle field and to keep you going through those long gaming sessions!
