Targus EAM2121 15.6" Black Notebook Case

Product Overview

Targus EAM2121 15.6" Black Notebook Case

Specifications

Overview;

The Targus 15.6" Hughes Laptop Case is designed to fit laptops with up to 15.6" screens. The Integrated Laptop Protection System provides additional shock absorption when compared with standard foam cases. To insure quality and durability, the strong, water-resistant fabric designed to help protect valuables during wet weather and has been abrasion tested. The durable, reinforced bottom is also water-resistant and provides a smooth, durable surface to help prevent tears or snags due to daily usage. For a customized, ergonomic fit, the soft-grip oil-tanned leather handles mold to your hand as you use the case.

To keep accessories scuff-free, the case features scratch-resistant micro-suede lined accessory pockets. The curved, ergonomic zipper pulls are easy to grip and feel comfortable to maneuver. For added convenience, the luggage strap makes it easy to attach the case to rolling luggage and the padded shoulder strap is both adjustable and removable. Constructed of nylon material with oil-tanned leather accents, this case utilizes top-grade materials to integrate a sophisticated style with the functionality of a day to day executive case.
