

ECOFLOW WAVE 3

ECOFLOW WAVE 3 Portable Air conditioner / heater

Product Overview

ECOFLOW WAVE 3 Portable Air conditioner / heater, 6100 BTU cooling capacity, 6800 BTU heating capacity, 16-30 degreesc temperature setting range, R290 refrigerant, 820W MaxAC Input, IPX4 IP rating

Specifications

Overview Summary:

The EcoFlow WAVE 3 Portable Air Conditioner and Heater delivers reliable cooling and heating wherever you need it. With 6100 BTU cooling, 6800 BTU heating, smart app control, and an IPX4-rated design, it is ideal for camping, RVs, boats, cabins, and indoor spaces. Buy now for dependable climate control on the move.

Designed for portability and convenience, the WAVE 3 offers fast temperature adjustment, multiple charging options, and simple installation for flexible use in a wide range of environments. Shop now and enjoy comfortable temperatures wherever your next adventure or project takes you.

Performance tier:Premium

Uses:Camping, tents, RVs, caravans, boats, semi-trucks, cabins, home cooling, home heating, outdoor events, mobile workspaces, dehumidification

Overview:

EcoFlow WAVE 3 Portable Air Conditioner and Heater

Stay comfortable wherever you go with the EcoFlow WAVE 3 Portable Air Conditioner and Heater. Designed for camping, RV travel, boating, semi-trucks, outdoor adventures, and indoor spaces, this compact climate control solution delivers powerful cooling and heating in a highly portable design. With an impressive 6100 BTU cooling capacity and 6800 BTU heating capacity, it quickly creates a comfortable environment whether you're escaping summer heat or keeping warm on cold evenings.

Built with convenience in mind, the WAVE 3 offers easy installation, smart app connectivity, multiple charging options, and an IPX4-rated design for dependable outdoor use. For off-grid operation, the optional EcoFlow Add-On Battery can provide up to 8 hours of wireless runtime and is available separately.

Description:

The EcoFlow WAVE 3 is a versatile portable air conditioner and heater that combines fast climate control with intelligent operation for users who enjoy travelling, camping, or spending time off the grid. It cools and heats enclosed spaces quickly while remaining easy to transport and simple to install. Smart controls through the EcoFlow app allow you to monitor performance, change operating modes, receive water drain notifications, and schedule operation from your mobile device. Whether used inside a tent, caravan, boat, truck, or small indoor room, the EcoFlow WAVE 3 delivers reliable comfort wherever you need it.

Features:

Powerful Climate Control

With 6100 BTU of cooling performance, the EcoFlow WAVE 3 can lower the temperature by up to 8 degrees C in approximately 15 minutes under suitable conditions. When temperatures fall, the powerful 6800 BTU heating mode raises the temperature by up to 9 degrees C in around 15 minutes, making it ideal for year-round adventures.

Designed for Life on the Move

The compact and portable design makes the WAVE 3 suitable for a wide range of environments, including:

- Car camping
- Tent camping
- RV and caravan travel

ComX Computers

Product Specification Sheet

- Boating
- Semi-trucks
- Outdoor recreation
- Indoor rooms

Its insulated exhaust duct simplifies installation, allowing the unit to adapt easily to different setups.

Smart Control Anywhere

Using the EcoFlow OASIS mobile app, you can manage your portable air conditioner from your smartphone. The app provides convenient access to:

- Real-time battery monitoring
- Water drain notifications
- Operating mode selection
- Scheduled shutdown
- Remote system control

Comfort Modes for Every Situation

The EcoFlow WAVE 3 includes intelligent operating modes that automatically adapt to changing conditions.

Available modes include:

- Automatic mode
- Sleep mode
- Pet Care mode
- Dehumidification mode
- Water drain alerts
- Automatic heating when temperatures drop

These intelligent functions help maintain comfort while reducing unnecessary power consumption.

Optional Battery for Off-Grid Comfort

For users requiring cordless operation, the optional 1024Wh LFP Add-On Battery delivers up to 8 hours of portable runtime. The battery is sold separately and supports fast charging when paired with compatible charging methods, including AC power, solar charging, or the EcoFlow Alternator Charger.

Key Details

- Part Number / SKU: ECOFLOW WAVE 3
- Cooling capacity: 6100 BTU
- Heating capacity: 6800 BTU
- Temperature adjustment range: 16 to 30 degrees C
- Refrigerant: R290
- Maximum AC input: 820W
- Water resistance: IPX4
- Smart control via EcoFlow OASIS mobile app
- Supports multiple charging methods
- Optional 1024Wh LFP Add-On Battery available separately

Technical Information

The EcoFlow WAVE 3 uses environmentally friendlier R290 refrigerant while delivering efficient cooling and heating performance. Its adjustable temperature range from 16 to 30 degrees C allows users to create the ideal indoor climate in a variety of environments. The IPX4 rating adds protection against splashing water, making it well suited to outdoor use.

When purchasing accessories or requesting support, refer to the Part Number ECOFLOW WAVE 3 to ensure compatibility with the correct portable air conditioner and heater model.

Specifications	
Product Code	ECOFLOW WAVE 3
Net Weight	Approximately 15.6 kg (34.4 lb)
Dimensions	519 x 297 x 336 mm
	(20.4 x 11.7 x 13.2 in)
Cooling Capacity	1800W (6100BTU)
Heating Capacity	2000W (6800BTU)
Temperature Setting Range	16-30degreesC (60.8-86degreesF)
Refrigerant/Amount	R290/112 g (R290/0.25 lb)
Air Volume	330m³/h
Rated Cooling Power (AC/DC)	690W/640W
Rated Heating Input Power (AC/DC)	645W/606W
Cooling Efficiency (AC/DC)	2.6/2.8
Heating Efficiency (AC/DC)	3.1/3.3
AC Input	100-240V~50/60 Hz
	820W Max
Add-on Battery Input	700W Max
Operating Temperature	5-50degreesC (41-122degreesF)
IP Rating	IPX4
Noise Level	44-58 dB
Remote Control	App (Wi-Fi(2.4G, 5G), Bluetooth)
Run Time with EcoFlow Add-On Battery	2-8 hr
