Bigger is better

Whether you're watching your favourite film or delivering a presentation, this projector can achieve an impressive 378 inch display. It's great quality too, with 3LCD technology that makes the display up to three times brighter than competitor products¹, thanks to its bright and vivid colours. From family and friends to business colleagues and clients, it's sure to get everyone's attention.

High-quality, bright images

Even in bright rooms, this powerful yet affordable WXGA projector delivers exceptionally bright yet colourful images with clear details. It's all thanks to 3LCD technology, which produces an equally high White and Colour Light Output of 3,000 lumens.

Long-lasting solution

Looking for a long-term, hassle-free and affordable solution for your projection needs? This model's long-lasting lamp light source provides you with 18 years' worth of entertainment².

Plug and play

Here's a projector that's designed with portability and quick set up in mind. Its compact design makes it easy to move from room to room, and you can quickly position the image with keystone correction and access content simply with the HDMI input.
