

## EE-PAD

### Pqi AirDrive Wireless External Enclosure

#### Product Overview

Pqi 6W11-0000R1002 AirDrive, Wireless External Enclosure for SDHC, USB 2.0 or 802.11b/g/n wireless, powered by USB or built-in 900mA battery, supports up to 5 simultaneous mobile/pc connections, for PC/ iOS/ Android, black, aluminium with hairline finish, built-in USB cable, 85x54x8mm compact size

#### Specifications

##### Features:

##### **Supports up to 5 connections simultaneously**

The Air Drive supports up to 5 simultaneous connections using different types of media files: your favorite photos, music, videos, or even documents. With the Air Drive, you can easily share your life with your friends and family anytime and enjoy the convenience of a wireless life.

##### **Easy to use, encrypted sharing**

After downloading S+ Flash, you can enjoy the convenience of wireless transfers by simply turning the Air Drive on. The Air Drive has built-in wireless encryption technology that allows you to set a personal password, which ensures that your data is secure!

##### **Apps available for both iOS and Android**

The Air Drive+ / S+ Flash app is available from both the Apple App Store and Google Android Market. You can download Air Drive+ / S+ Flash for free and start enjoying the convenience of the Air Drive right way!

##### **Flexible capacity**

With Air Drive SD card slot, you can replace any capacity SD/SDHC(to 32GB) card as you want, and change it by yourself easily.

##### **The slimmest storage device capable of 5 hours of uninterrupted playback**

The size of a credit card and only 8mm thin, the Air Drive is the slimmest, lightest, and smallest portable wireless storage device on the market. Fully charged, it is capable of 5 hours of continuous multimedia playback. With its good looks and great battery life, it is the best choice for you! \*Continuous playback times will vary depending on the number of users connected to the device, the quality of the video, and other factors.

##### **Built-in USB cable**

## ComX Computers

### Product Specification Sheet

Built-in USB2.0 cable saves you the trouble of bringing another cable. The Air Drive's convenient design lets you enjoy all the fun wirelessly!
