Product Overview

Samsung Galaxy Note 2 Black Protective Cover+

Specifications

Overview:

The Galaxy Note II Protective Cover Plus case is a precision designed cell phone case that protects the device without sacrificing style. Galaxy cases also feature one of the sleekest android phone case designs, allowing for both function and fashion.

Features:

- Fits Samsung Galaxy Note II
- Provides exceptional protection
- Hard shell protects against bumps and drops
- Cover is scratch resistant
- Allows for easy access to buttons and doesn't block any ports
- Available in a variety of stylish colors

Protection

The hard case protects the phone in a number of ways. A rubber bezel absorbs any impact the corners of the phone may endure while the protective gel provides protection against other direct damage. The Samsung cover provides a buffer between the screen and surfaces to prevent scratches when the smartphone is placed face down. Each case also protects the phone against scratches and dirt build up.

Custom Made

Some mobile phone cases can restrict the phones functionality, however, each Samsung phone case is designed to allow easy access to all ports and buttons. Samsung cases are built to the specifications of the phone to insure an exact fit and maintain the full functionality of the phone.

Easy to Install

Each of the cell phone cases slips gently over the phone providing it with a hard shell that protects against bumps and drops. The cover installation is effortless and the can be done in under a minute.
