EH-A2000SD620

Adata SD620 2TB External Solid State Drive

Product Overview

Adata SD620-2TCBK - 2TB SSD, USB 3.2 Gen2 Type-A, 440MB/s read, 420MB/s write, impact-resistant, rugged design

Specifications

Features:

- Supports USB 3.2 Gen2 high-speed transmission
- Transfer speed up to 550MB/s
- 1.22m MIL-STD drop shock resistance
- Support for latest generation games
- Supports multiple operating systems and computer platforms

Data Transfer in Seconds
Loved it from the start! With a transfer speed of up to 550MB/s, the SD620 is a racehorse of digitally transmission, only taking about 20 seconds to complete transfer of a 10GB 4K high-definition video file. Backing up your data will no longer be a chore!

MIL-STD Shock Resistance Handles Unexpected Bumps
The SD620 is covered in a protective anti-shock silicone sheath which is a superior elastic buffer when compared to standard external SSDs. It has passed strict MIL-STD-810G 516.6 drop testing and will remain unscathed even if dropped from 1.22 meters. The SD620's durability makes carrying it a no-brainer!

Multi-platform and Cross-device
The SD620 is compatible with operating systems such as Android, Mac OS, and Windows, and supports hot-swapping. It can be connected to various devices such as PCs, tablets, mobile phones, and game consoles. The SD620 can transfer files without installing additional drivers. Backing up all your devices in one go is both convenient and secure!

Enjoy Three Classic Colors
The SD620 is available in three classic colors including black, blue, and red, to fit your personal style and self-expression. It is also a statement of confidence, allowing you to exhibit your unique fashion sense through this storage device.

Your Game Library
Supporting many of the latest game consoles, the SD620 is ideal for storing all your games without out taking up too much physical space.
