Features:

Up Your Game

Nothing says "Game Over" for the Xbox One® experience like a full hard drive. Boost your console's storage capacity with the Seagate® Game Drive, the only external hard drive designed exclusively for Xbox.

- Up to 4 TB capacity lets you store 100+ Xbox One games
- Plug-and-play setup gets you up and playing in seconds
- Compact size and no power cable means it's perfect for your living room or to take to a friend's house
- USB 3.0 delivers full-throttle gaming - like playing from your console's hard drive

Upgrading to Xbox One X?

Save time by transferring your content and settings to your new Xbox One X with ease, so you can get back to playing faster.

Pro Speed Ahead with SSD

We've partnered with Xbox to design a premium external solid state drive (SSD) that gives you full throttle, flash-speed performance while complementing the appearance of your Xbox One X. This sleek new game drive is lightweight, shock resistant, and portable.

- Get SSD performance to decrease boot up and load times
- Up to 2 TB of storage lets you store 50+ games and downloadable content
- Enjoy an ultra compact design and superior style
- Achieve portability and take your favourite games with you
- Access 100+ games & new Xbox One exclusives with a 2-month trial membership to Xbox Game Pass

Keep Your Games Close

Expand the capacity of your console by consolidating your Xbox One games and downloadable content on the Seagate Game Drive. Archive the rest on your console and keep a massive game library at your fingertips.

Instant Level Up

Just plug it in and it works. Xbox automatically detects and sets up the new drive.

Pedal to the Metal with USB 3.0

USB 3.0 delivers full-throttle gaming experience-like playing from your console's hard drive.

Works with Xbox 360

You can connect the Game Drive to the USB 2.0 port on your Xbox 360.

Glorify Your Gamertag

Xbox will ask you to name your Game Drive - make it your own with personalisation.

Win the Away Games

Unplug the Seagate Game Drive and take your entire game library to a friend's house. It's small enough to slip into your backpack and doesn't need a power cord.
