Specifications

Overview:

This is our fastest external drive ever! The winning combination of a USB 3.0 interface and our high-performance hard drives boosts read and write speeds to levels never seen before. See the performance charts below. This is our fastest external drive ever! The winning combination of a USB 3.0 interface and our high-performance hard drives boosts read and write speeds to levels never seen before. See the performance charts below.

Features:

- SuperSpeed USB 3.0 interface - Accelerate your data transfers with the fastest available interface. Transfer a 24 GB HD movie in 2.7 minutes vs. 13.3 minutes with a 2.0 connection.
- Ideas accelerated - Resource intensive video editing, animation, graphic design, and large media files can be saved so quickly that you no longer have to wait for the technology to keep up with your ideas.
- Optional USB 3.0 HBA adapter - Models that include the USB 3.0 HBA adapter allow users to upgrade their PC to take advantage of the faster data transfer speeds available through the SuperSpeed USB 3.0 port.
- Sleek, streamlined design - This newest member of the best-selling My Book family of external hard drives features a premium finish that will look great sitting on your shelf.
- Compatible with USB 2.0 ports - Connect the drive anywhere there's a USB port. The USB 3.0 is backward compatible with USB 2.0 with no additional hardware needed.
- WD quality inside and out - Designed with the same commitment to quality that has made My Book external hard drives the number one selling drives in the world.
- Planet friendly - We designed a small retail box from recycled materials to minimize waste. We encourage you to recycle it.

Compatibility - Windows:

- Formatted NTFS
- Windows XP, Windows Vista, Windows 7

Package Includes:

ComX Computers
