Specifications

Overview:

ADVANCE ECO

Laptop Bag - Briefcase - Made from Plastic Bottles, up to 16-Inch

The Advance is everything you need - well-padded laptop compartment, a range of slots and pockets, ergonomic and stashable shoulder strap, trolley handle pass-through - and nothing you don't. This smart, durable briefcase is the perfect laptop carry solution for long-distance travel or everyday use.

Features:

Make the Advance briefcase your everyday bag. Its slim profile, contemporary design, and lightweight construction make the bag an effortless carry. The spacious, well-padded, top-loading compartment allows quick and easy access for laptops up to 16-inch.

Grab the hand-carry handles or sling it over your shoulder with the full-sized shoulder strap and go. Dual-sided adjustable straps ensure that your shoulder pad stays centered on your shoulder for maximum comfort.

The separate zippered accessory compartment stays organized with a generous assortment of multifunction pockets while a quick-access front stash slot keeps items close at hand.

Trolley handle pass-through

A bag is only as strong as its wearer, and for the weary traveler EVERKI designed the Advance with a trolley handle pass-through to help lighten the load. This strap is correctly sized to pass smoothly over luggage handles and allow you to stack your bags for increased mobility.

Ergonomic two-way adjustable shoulder strap

Travel can put an unnecessary burden on the traveler, especially with a full load. To make things easier, EVERKI outfitted the Advance with a comfortably padded non-slip, two-way adjustable shoulder strap with quick-adjust buckles that give you more freedom to make fine adjustments to your desired length.

High-contrast lining

With EVERKI, form and function are not mutually exclusive. In addition to a range of convenient pockets and slots that ensure contents stay in their designated places, the Advance features a high-contrast orange lining that fits in with the bag's overall theme and makes items easier to find under any circumstance.
