- Refresh rate: 180Hz
- Video ports: HDMI, DisplayPort
- Usage: Gaming, professional
- Game Sync: AMD FreeSync
- EAN: 6941948703193

Overview:

Xiaomi G Pro 27i 1440P 27" Mini LED Gaming Monitor

The Xiaomi G Pro 27i Mini LED 27" Gaming Monitor is a game-changer for immersive gaming and professional visuals. Featuring cutting-edge full-array Mini LED backlight technology with 1152 local dimming zones and 4608 beads, this monitor delivers precise image control with stunning detail and dynamic light and shadow effects. The self-developed dynamic backlight feature provides tailored options for various scenarios, ensuring an unparalleled viewing experience. With HDR1000 certification, the display achieves peak brightness of 1000 nits and dark state brightness as low as 0.001 nits, delivering breathtaking contrast and lifelike 3D visuals.

Designed for fast-paced gaming, the G Pro 27i boasts an impressive 180Hz refresh rate and a rapid 1ms GTG response time, ensuring smooth, lag-free gameplay with minimal motion blur. The addition of AMD FreeSync technology synchronizes the monitor's refresh rate with the GPU, reducing screen tearing and input lag during critical gaming moments. Whether you're navigating dynamic action scenes or competitive esports, the G Pro 27i ensures you stay ahead with seamless performance.

The monitor's quantum dot technology and ultra-wide colour gamut provide exceptional colour accuracy and vibrancy. With 100% sRGB, 99% DCI-P3, and 97% Adobe RGB coverage, plus support for 1.07 billion colours, the G Pro 27i produces rich, true-to-life visuals with seamless transitions. Factory-calibrated for colour accuracy with a ±3% ΔE

Ergonomically designed, the G Pro 27i features an adjustable stand supporting height, tilt, and rotation, ensuring a comfortable viewing angle for extended sessions. It is also compatible with VESA mounts for added flexibility. TÜV Low Blue Light Certification reduces harmful short-wave blue light, providing eye comfort during long hours of use. With a sleek design, RGB ambient lighting, and a 27" QHD (2560 x 1440) resolution, the Xiaomi G Pro 27i is the perfect blend of cutting-edge technology and stylish aesthetics for both gaming and creative workflows.

Features:

- 180Hz high refresh rate
- AMD FreeSync support
- 1ms fast response time

ComX Computers

Product Specification Sheet

- 1152-zone Mini LED for outstanding picture quality
