Specifications

Overview:

Fast, reliable and economical, the Epson LQ-2190N is a fast, flexible and reliable printing solution that achieves a perfect balance between large print volumes and first-class quality. Cost effective and dependable, this is ideal for producing invoices, delivery notes, inventory listings and labels.

Features:

- Fast, reliable printing Enjoy 24-pin quality up to A3 size and 576 cps
- Multi-part flexibility Print up to 6-part forms (1 original + 5 copies)
- Paper handling Choose from front, top, bottom, rear paper paths
- Print Speed Enhancer For faster printing of bit images under Windows environment
- Easy connectivity Ethernet, parallel and USB interfaces as standard
- Reliability and speed. This 24-pin wide carriage printer takes care of big print jobs without a fuss. You can rely on high quality results on a wide range of paper types while the impressive 576 cps (at 12 cpi) print speed is perfect for large volume tasks. This robust device is very dependable and has a print head life of 400 million strokes per wire, plus a mean time between failure of 20,000 power-on hours.
- Flexibility. Choice of front, top, bottom and rear paper paths gives you even more control over desk space management. And the addition of a USB interface means more flexibility in connectivity.
- Longer ribbon life. With a ribbon life of around 15 million characters, the ribbon replacement cycles are longer, which brings down running costs and maintenance time.
