Epson WorkForce DS-360W A4 Portable Scanner with Wi-Fi and battery

Product Overview

Epson WorkForce DS-360w A4 Portable Scanner with Wi-Fi and Battery, 25 pages per minute scanning Speed at 200 / 300 dpi Resolution, 1200 DPI x 1200 DPI Maximum scanning Resolution, Wireless LAN and Wi-Fi direct connectivity, Micro USB 3.0 Interface for cable-free scanning, Built-In Battery allows Operation without external Power Supply, 20-page Automatic Document Feeder capacity, Single pass Dual scanning with Duplex Scan capability, RGB LED Light source Technology, TWAIN and wia Driver support for general Office applications

Specifications

Overview Summary:

Upgrade your mobile workflow with the Epson WorkForce DS-360W Portable Scanner, now available for purchase in South Africa. This compact device features a built-in battery and wireless connectivity, allowing you to scan documents from anywhere without being tethered to a power outlet or computer. With impressive speeds of up to 25 pages per minute, it is the perfect solution for busy professionals who need to handle paperwork on the go.

The scanner supports single and double-sided scanning with an automatic document feeder that holds up to 20 sheets, making it ideal for processing invoices, receipts, and ID cards quickly. Whether you are working from a coffee shop or a remote site, this lightweight unit ensures your documents are digitized in high quality via the free Epson Scan app. Buy now to experience seamless scanning efficiency.

Performance tier: High-End Portable

Uses: Document digitization, mobile office work, ID card scanning, invoice processing, field data collection

Overview:

The Epson WorkForce DS-360W is a portable scanner designed for professionals who need reliable document management on the go. This mobile scanner combines a built-in battery with Wi-Fi and USB 3.0 connectivity, allowing you to scan documents without being tethered to a computer or power outlet. With industry-leading speeds of up to 25 pages per minute, it ensures that busy workloads are handled efficiently while maintaining high-quality output at resolutions up to 1,200 dpi.

The DS-360W Part Number EPPRB11B242401 is engineered for versatility, capable of handling a wide range of media types including standard paper, envelopes, business cards, and plastic ID cards. Whether you are scanning single pages or tackling multi-page documents with the 20-sheet automatic document feeder, this device delivers consistent results. Advanced image processing features like de-screening and noise reduction ensure your digital copies are crisp, clear, and ready for archiving.

Description:

The Epson WorkForce DS-360W is a high-speed portable scanner featuring wireless connectivity and a built-in battery for true mobility. This device enables seamless scanning to mobile devices, tablets, or computers via Wi-Fi Direct or USB 3.0. Key benefits include rapid document processing at 25 pages per minute, dual-sided scanning capability, and support for various media formats from envelopes to ID cards. The scanner also includes advanced software integration with Epson Scan and Document Capture Pro for streamlined workflow management.

Features:

Why Choose the DS-360W?
This portable business scanner is designed to keep your paperwork organized wherever you are. Its compact and lightweight frame makes it easy to store in a drawer or carry in a bag, while the USB charging port ensures you stay powered up during travel. The device supports both color and monochrome scanning at 300 dpi with automatic duplexing, making it ideal for small offices or mobile professionals who require high-quality digitization without compromising on speed.

The scanner integrates seamlessly into your existing workflow through multiple scan-to options including email, FTP, network folders, and Microsoft SharePoint. With support for barcode recognition and OCR capabilities, organizing documents becomes effortless. The included Epson Scan app allows full control from your smartphone or tablet, giving you the flexibility to manage scans directly from your mobile device.

- Built-in battery and Wi-Fi connectivity for cable-free scanning
- Fast scan speeds of 25 pages per minute with USB 3.0 support
- Compact design ideal for travel or desktop storage
- Versatile media handling for paper, envelopes, cards, and IDs
- 20-page automatic document feeder for efficient multi-page scanning

Technical Specifications:

The DS-360W utilizes an RGB LED light source to deliver consistent illumination across all scans. The optical resolution reaches 600 dpi by 600 dpi, with digital enhancement capabilities extending up to 1,200 dpi by 1,200 dpi for superior detail. It supports a scanning range from 50.8 mm x 70 mm up to 215.9 mm x 1,117.6 mm, accommodating various paper sizes including A4, Letter, Legal, and business cards.

- Scanner type: Mobile Scanner with single-pass dual scanning
- Scanning speed: 25 ppm (monochrome and color at 300 dpi)
- ADF capacity: 20 sheets with auto-loading for paper weights between 52-230 gsm
- Daily duty cycle: Up to 500 pages per day
- Output formats: PDF, searchable PDF, JPEG, TIFF, BMP, and multi-TIFF

Connectivity options include Wireless LAN IEEE 802.11a/b/g/n, Wi-Fi Direct for peer-to-peer scanning, and a Micro USB 3.0 port for high-speed data transfer to computers. The device is compatible with a wide range of operating systems including Windows Vista through 10 (all versions) and Mac OS X 10.7.x and newer. Drivers such as TWAIN and WIA ensure broad software compatibility.

- Dimensions: 288 x 89 x 67 mm
- Product weight: 1.3 kg
- Power supply: AC 100-240 V, 50/60 Hz
- Energy consumption: 8 Watts (active), 0.9 Watts (economy), 0.3 Watts (standby)

- Operating temperature: 5degrees C to 35degreesC

FAQ

Can I scan documents wirelessly or without a power outlet?
Yes, the Epson WorkForce DS-360W features built-in Wi-Fi and a portable battery, allowing you to scan from anywhere via wireless connectivity. It can also be charged on the go using the included USB cable.

What types of media and documents does this scanner support?
The DS-360W handles a wide range of formats including A4 paper, envelopes (C4-C6), business cards, plastic cards, and ID cards in its 20-page automatic document feeder. It supports single or double-sided scanning for papers weighing between 52 and 230gsm.

How fast is the scanning speed on this portable device?
This model offers a scan speed of up to 25 pages per minute at standard resolutions, making it one of the fastest portable scanners available for handling multi-page documents efficiently.

Can I connect and control the scanner from my mobile devices?

Yes, you can use Wi-Fi Direct or Wireless LAN to connect the scanner directly to your smartphone or tablet. The free Epson Scan app allows you to control scanning functions wirelessly without needing a computer connection.

What software features are included for document management?:

The scanner comes with Document Capture Pro and supports advanced workflow integration, including barcode recognition, OCR support, and scan-to-email or scan-to-FTP capabilities via the included Epson Scan 2 software.
