Specifications

Overview summary:

The **Epson L18050** is a fast, affordable 6-colour A3+ photo inkjet printer designed for high-volume, professional-quality photo printing. Offering cartridge-free printing with large 70ml ink bottles, it delivers an ultra-low cost per print-up to **1,500 vibrant 10x15cm photos** or thousands of pages. Its compact design features front-facing ink tanks and easy refill key-lock bottles for hassle-free maintenance and space-saving convenience.

Equipped with Epson's advanced **Heat-FREE PrecisionCore technology**, the L18050 reduces energy consumption while producing stunning glossy photos with smooth tonal gradations, deep blacks, and rich colours. It supports wide media compatibility, including PVC/ID cards and CDs/DVDs, making it versatile for creative projects and professional photo studios. Fast print speeds of up to **12 photos per minute** boost productivity without compromising quality.

Wireless connectivity options such as Wi-Fi, Wi-Fi Direct, and Epson Smart Panel app support seamless mobile printing from smartphones, tablets, and laptops. With an integrated maintenance box and replaceable pickup roller, the L18050 ensures reliability and a long product lifespan, helping photographers focus on what matters-capturing and printing beautiful photos.

Overview:

L18050

Low-cost A3+ photo print

Fast and feature-rich, this 6-colour A3 photo inkjet delivers high quality, high volume and hassle-free printing at a low-cost-per-print

With a low cost-per-photo and mobile printing, this fast, cartridge-free inkjet is perfect for high volume, high-quality A3+ photo print, copy and scan. With a compact design, key-lock bottles and front facing ink tanks for easier filling, the L18050 offers photographers a space-saving and easy-to-use solution. Offering wide media compatibility, print on PVC/ID cards, CDs and DVDs.

SKU:C11CK38403

Features:

Say goodbye to expensive cartridges

With a high capacity 6-colour ink tank utilising 70ml ink bottles, the L18050 delivers low-cost-per-print, with up to 1,500 10x15 cm colour Photos / 2,600 bk, 5,400 cl pages with the included inks .

Keep on saving

Save every time you print with this EcoTank, thanks to Heat-Free PrecisionCore technology, the L18050 has a low energy consumption, saving on energy bills. It also features large ink tanks to refill with low-cost ink bottles.

High-quality A3+ photo printing

This 6-colour, dye-based A3+ printer delivers professional-looking, glossy photos with smooth tonal gradations, deeper and more natural blacks, detailed high-contrast images and natural skin tones.

Easy-to-use and reliable

An integrated front facing ink tank system with fast key-lock bottles and drip-free nozzles provides quick and easy refilling using individual ink bottles. Avoid downtime with the easy-to-access replaceable maintenance box and pickup roller. With a product lifetime of 50,000 photos, the L18050 provides peace of mind, so you can focus on capturing great photos.

Print from almost anywhere

The L18050 offers reliable wireless photo printing, making it easy to print from mobiles, tablets and laptops. With Wi-Fi and Wi-Fi Direct, you can send documents to print from smart devices using the Epson Smart Panel app .
