Epson TM-T88VII High-Speed Receipt Printer - USB / Ethernet / Serial

Product Overview

Epson TM-T88VII High-Speed Receipt Printer - USB / Ethernet / Serial, Black, 500mm/s Max print speed

Specifications

Overview:

Epson TM-T88VII (112): USB, Ethernet, Serial, PS, Black High-speed receipt printer

Market-leading, high-performance and eco-conscious receipt printers, backed by proven reliability

The TM-T88VII is our new high-performance receipt printer range. It features a range of design, connectivity and usability improvements and enhancements to improve the user experience.

SKU:

C31CJ57112

Features:

Reliable and high-performance

Avoid downtime by choosing proven, reliable hardware from the market leader . Fast print speeds of 500mm/s and high-quality, printed legible receipts will ensure happy customers.

Backwards compatible

The TM-T88VII is fully compatible with the existing T88V and T88VI software so there are no expensive costs associated with changing business infrastructure. The printer also has same footprint as previous models, meaning no additional costs of having to change the counters/tills.

Eco-conscious

The TM-T88VII demonstrates reduced environmental impacts, with lower noise level, lower power consumption and smaller, more efficient power supply. The printer is now compatible with more eco-friendly, Phenol-free paper.

Key Features

- Reliable hardwareBacked by our tried and trusted build quality
- High performanceMax print speed 500mm/s
- Connectivity and interface optionsUSB, Ethernet, USB Host as standard; serial, PoweredUSB, options
