ESD-2024-PROJ PRO

Microsoft project Professional 2024 - 1 PC - Download

Product Overview

Microsoft project Professional 2024 - 1 PC - Download, EP2-07001

Specifications

Overview:

Project Professional 2024

- Pre-built templates help you get your project started on the right track
- Sync with Project Online and Project Server
- Submit timesheets to capture time spent on project and non-project work
- Run what-if scenarios to make the most of your task assignments
- Auto-populate start and end dates based on dependencies
- Visually represent complex schedules with built-in multiple timelines
- Licensed for 1 PC
- Supports Long-Term Servicing Channel (LTSC) and is compatible with Office LTSC and Office 2024

Features:

Improve project selection and on-time delivery

Manage your projects more efficiently with the right timelines, budgets and resources.

Informative reports

Built-in reports like Burndown and Resource Overview provide insights to stakeholders to achieve better results.

Timesheets

Submit timesheets to capture time spent on project and non-project work for payroll, invoicing and more.

Visualise relationships

Task path highlighting in Gantt charts gives you visibility to the relationships between tasks.

Collaboration

Hover over team members' names in a project plan to see online presence and start chats or calls through Microsoft Teams for Business (licensed separately).

Pre-built templates

Easily get started using one of the many pre-built templates available in Project Professional.

Intuitive baselines

Enable decision-makers to track and compare actual progress to the original project plan.
