Overview:

Everki ContemPRO Roll Top Laptop Backpack

Roll Top Laptop Backpack, up to 15.6-Inch - Black (EKP161)

The preppy, casual look of the ContemPRO Roll Top Laptop Backpack is the bag to choose when you want to add some distinction to your office look. The extra large opening at the top of the bag lets you pack larger or bulkier items with ease, while the roll top keeps things neat and professional looking.

The Roll Top Laptop Backpack

The Roll Top Laptop Backpack from EVERKI is a stylish re-design of a classic favorite with a professional twist. But don let its preppy and relaxed look fool you; this bag is ready for the office with dedicated spots for both a laptop and a tablet. And like all EVERKI bags, we e designed this bag so you can have just what you need within reach, like the multi-functioning side pockets which securely hold your water bottle, and the quick-access pocket on the front for your phone and anything else you need easy access to. You l also find multiple slots, pockets and pouches to keep things organized and within reach. Add some

interest to your office look.

Dedicated laptop and tablet pockets

If you find yourself toting both a laptop and a tablet when you commute to the office every day, the Roll Top Laptop Backpack may be just for you. We engineered the main compartment with a dedicated laptop pocket to fit up to a 15.6-inch laptop, along with a special slot that is big enough to hold today larger tablets. The laptop pocket is padded on the bottom, front and back to safely secure your devices from bumps and knocks - and the tablet pocket is also padded to prevent scratches. Stow your electronics comfortably and confidently in the ContemPRO Roll Top Laptop Backpack.

Personalizable window

In every area of your life, you want an outlet of self-expression, even in your business bag; so we crafted the ContemPRO series just for that. Like every bag in the ContemPRO series, the Roll Top Laptop Backpack has a personalizable window on the front of the bag that can be customized. The bag comes with a set of images, so choose the image you like or design your own to match your personal style. The window on the front of the bag helps you do what you always do - stand out in a crowd.

Comfortable carrying

Your bag can feel heavy and uncomfortable when you have to carry a lot of things to the office, so the Roll Top Laptop Backpack is structured to minimize stress and maximize comfort. With an ergonomically molded back panel, cushioned padding and deep airflow channels, this bag offers increased air circulation for comfort and cooling. And don forget about your shoulders - they e carrying the brunt of the weight, but that not a problem. We also engineered the Roll Top Backpack with padded and reactive shoulder straps that conform to the owner shoulders. Personalized comfort.

Trolley handle pass-through

When you e traveling with many bags, the trolley handle pass-through on the back of the Roll Top Laptop Backpack allows you to double your efforts. Simply slip your backpack onto the handle of your roller luggage and you e ready to wheel through the airport.

Padded carry handle

Sometimes it just not practical to carry your backpack on your back. The Roll Top Laptop Backpack is designed with a padded carry handle; now it easy and comfortable to carry your bag in one hand.

Durable zippers

and metal pulls

Have you ever broken a zipper on your favorite bag? We have. That why we designed the Roll Top Laptop Backpack using durable zippers and metal pulls. So your favorite bag can remain your favorite bag.

High-contrast lining

All EVERKI interiors are stylish, high-contrast orange because we know how frustrating it is to mistakenly leave a compartment unzipped, and how difficult it is to organize against a black background. Savvy and Stylish.

Peace of mind

EVERKI makes products of value because we value our relationships. Every product EVERKI makes comes with our Limited Lifetime Warranty which covers manufacturing defects over the entire life of the product. EVERKI. We give you peace of mind.
