Highlights of EZCast Pocket Series

Plug and Play
Just plug in and enjoy a straightforward display experience.

30-Meter Range
Experience reliable wireless connectivity with a 30-meter range.

Wi-Fi 5GHz
Provides faster signal transmission for smoother performance.

1080p FHD Transmission
Enjoy clear and vibrant viewing quality with 1080p Full HD transmission.

Portrait Mode Available
Supports portrait mode for flexible display options.

Mirror or Extend Mode
Mirror content to your TV or extend your workspace to boost productivity.

Smart Channel Hopping
Ensures stable and continuous wireless transmission.

Transmission Security
Employs data scrambling to protect your content.

Is the EZCast Pocket Series comptible with DRM content such as Netflix, Amazon Prime, Hulu, Disney+ and other streaming services?

Yes, the EZCast Pocket Series is compatible with Netflix and Amazon Prime. Because the EZCast Pocket functions primarily by mirroring your exact screen rather than directly streaming, it bypasses the casting restrictions usually caused by Digital Rights Management (DRM).
