Product Overview

HP LaserJet 500-Sheet Input Tray Feeder

Specifications

Overview:

Support the productivity of growing teams with simple, robust paper input accessories that enable media versatility and allow longer printing without reloading paper.

Features:

- Reduce trips to the printer to reload paper with this paper input accessory. Print more pages without having to reload paper.
- Automatically print on two different types of paper such as plain paper and glossy brochure paper without manually loading paper trays for each print job.
- Save time and improve the performance of individuals and teams with the increased paper capacity of this 500-sheet paper tray from HP. With more sheets of available paper, users spend less time refilling paper trays.
