HP LaserJet 1500-Sheet Input Tray

Product Overview

HP LaserJet 1500-Sheet Input Tray

Specifications

Overview:

Support productivity with this robust paper input tray that enables media versatility and allows longer printing (up to 1500 sheets) without re-loading paper.

Features:

- The printer accommodates up to four additional trays and can handle many types and sizes of paper and up to three reams of plain paper in the high-capacity input tray.
- Save trips to load paper in the printer with this paper input accessory.
- Simple to install, featuring unique sensors that automatically detect paper size, easy-to-use paper guides, and a paper level indicator that lets users know how much paper is in the tray without opening the tray.
