Specifications

Overview:

HP EliteDisplay S231d 23-in IPS LED BLU Notebook Docking Monitor 1920 x 1080, Arsenic-free display glass; Mercury-free display backlights; Low halogen, ENERGY STAR qualified

Create an instant workspace with this 23-in IPS LED Backlit Notebook Docking Monitor. With one USB cable connection from your notebook to display, you can access everything you need and get to work. Charge your HP Notebook battery and power your HP Notebook through the display's DC power cable.

Features:

- Full HD IPS is just the beginning.
- Get a large-screen 23-inch diagonal Full HD IPS panel display that's so much more-it's your gateway to a streamlined, personalized workspace of your pre-selected, pre-arranged, and pre-connected peripherals.
- Connect and charge.
- Boost productivity and lower costs with a display that does double duty as a large format monitor and port replicator that delivers network connectivity, port expansion, and HP Notebook charging-all in one device..
- Expand your reach, not your wallet.
- Eliminate the time and expense of travel and keep the lines of communication open with an integrated 720p HD webcam and dual microphone plus virtual conferencing software so you can meet anywhere, anytime from the comfort of your desk..
