Overview:

AUI FB-7600 82 Column Dot Matrix Printer - Parallel and USB
The AUI FB-7600 is a dependable 82 column dot matrix printer built for businesses that require fast, continuous document printing. Delivering print speeds of up to 660 characters per second in SSD mode and up to 525 characters per second during standard operation, it is well suited to demanding environments where reliability and efficiency are essential. Its versatile media handling allows it to print on passbooks, invoices, tickets and other business documents, making it an excellent choice for banks, hospitals, logistics companies and other high-volume workplaces.

Description:

Designed for busy commercial environments, the AUI FB-7600 combines high-speed performance with dependable operation for everyday business printing. It supports multiple document types and multi-part forms, making it ideal for transaction records, invoices, receipts and other critical paperwork. Epson ESC/P emulation ensures compatibility with many existing applications, while its built-in data buffer helps maintain smooth, uninterrupted printing during demanding workloads.

Features:

High-Speed Business Printing
When speed matters, the AUI FB-7600 delivers reliable output with impressive performance.

Key advantages include:

- Up to 660 characters per second in SSD mode
- Standard print speed of up to 525 characters per second
- Reliable 82 column printing for business documents
- Built for continuous, high-volume workloads

Versatile Media Support
The printer is designed to accommodate a variety of business printing requirements across multiple industries.

Suitable media includes:

- Passbooks
- Invoices
- Tickets
- Multi-part business forms

This flexibility makes the AUI FB-7600 a practical solution for financial institutions, healthcare facilities, freight companies and other organisations that rely on accurate document printing.

Compatibility and Productivity
Compatibility with Epson ESC/P emulation allows the printer to integrate easily into many existing business systems. A 256 KB data buffer improves workflow efficiency by helping process larger print jobs with fewer interruptions.

Additional highlights:

- 7 resident LQ fonts
- 1+6 multi-part forms capability
- Epson ESC/P emulation
- 256 KB data buffer
- Parallel and USB connectivity

Technical Summary

- Brand: AUI
- Model: FB-7600
- Part Number / SKU: FB-7600
- Print Width: 82 columns
- Maximum Speed: 660 cps (15 cpi in SSD mode)
- Standard Print Speed: Up to 525 characters per second
- Resident Fonts: 7 LQ fonts
- Multi-Part Forms: 1 original plus 6 copies
- Emulation: Epson ESC/P
- Buffer Memory: 256 KB

- Interfaces: Parallel and USB

Ideal Applications

The AUI FB-7600 is well suited for businesses that need dependable, high-speed impact printing. Whether producing invoices, passbooks, tickets or multi-part forms, Part Number FB-7600 provides the performance and durability required for busy operational environments where continuous printing remains essential.
