Specifications

Overview:

Designed after a carabiner, the ADATA S805 USB flash drive harmonically blends delicate craftsmanship with a touch of style. Featuring a zinc alloy frame and finished in either gray or red, the ADATA S805 Sports USB flash drive is a great accessory to take along wherever you go. With the storage capacity of up to 32GB, you can easily carry and share your large video/audio files. The portability, capacity and sporty look of the S805 make it a perfect choice for meeting your mobile storage needs.

Features:

A Unique Flash Drive Design

Dressed in silver-gray or passionate red, the sleek ADATA S805 Sports USB Flash drive looks great when added to a keychain or clipped on a briefcase, backpack or notebook PC carrying case. The S805's clever swivel design also eliminates the need for and possible loss of a cap, making it an even more indispensable item to be added to your digital arsenal.

Take It All on the Road

The ADATA S805 Sports USB flash drive ranges in capacities from 4GB to 32GB, providing the perfect solution for any user whether you need a flash drive for storing, transporting and sharing photos, music or videos.

Universal Access with USB 2.0

The ADATA S805 Sports USB flash drive uses USB 2.0, making it compatible with most computers and including the handy plug-and-play feature. Whether you're using Windows 98 or the latest Windows 7, Mac OS 9 or Mac OS X 10.6, or even Linux Kernel 2.4 or later, the S805 is the right choice for all your mobile data storage needs.
