Specifications

About this product

The Adata C008 32GB USB flash drive offers reliable data storage in a compact, cap-less design. Featuring a sliding lid to protect the USB connector, it delivers read speeds up to 30 MB/sec and write speeds up to 8 MB/sec. Compatible with Linux, Mac OS, and Windows, it supports free OStoGO and UFDtoGO software along with a 60-day Norton Internet Security trial.

Overview Summary

Product: Adata C008 32GB Flash Drive

The Adata C008 flash drive combines durable construction with a practical, cap-less sliding lid to protect the USB connector. Measuring 59.6 x 19.5 x 9.5 mm, it is compact enough for pocket or bag use while providing 32GB of storage for documents, media, and backups. Its black and red design adds a stylish touch to everyday storage solutions.

With read/write speeds of 30/8 MB/sec (200x), this drive ensures efficient data transfer for personal or professional use. It supports multiple operating systems including Linux, Mac OS, and Windows, along with additional utilities such as OStoGO and UFDtoGO. Users also receive a 60-day trial of Norton Internet Security for added data protection.

Performance tier: Standard / Everyday Use

Uses: File storage, data transfer, backup, OS installation, portable applications

Overview

The sleek design features a sliding USB connector, which smoothly extends from the drive at the push of a thumb. The capless mechanical design eliminates the hassle of lost drive caps. The USB connector can be made ready for use with just one hand, for greater convenience when speed is a must.

Description

The Adata C008 flash drive is designed for everyday portability and convenience. Its thumb sliding lid protects the USB connector without the need for a separate cap, minimizing the risk of loss or damage. The device supports high-speed read and write performance suitable for transferring files, photos, videos, and documents quickly. Compatible with Linux, Mac OS, and Windows, it also allows running portable applications through OStoGO and UFDtoGO. The included 60-day Norton Internet Security trial provides an added layer of protection for sensitive data. Its sleek black and red design combines functionality with style, making it ideal for students, professionals, and casual users alike.

Features

- 32GB storage capacity for personal or professional use
- Cap-less thumb sliding lid protects USB connector
- Read speed up to 30 MB/sec and write speed up to 8 MB/sec
- Compact dimensions: 59.6 x 19.5 x 9.5 mm for easy portability
- Supports Linux, Mac OS, and Windows operating systems
- Compatible with OStoGO and UFDtoGO for portable apps
- Includes 60-day trial of Norton Internet Security
- Stylish black and red color design

Easy Thumb Activated Capless Design
The USB connector is concealed in the compact body, fully protected without the need for a drive cap. A simple thumb swipe forward makes it ready to use, and the reverse motion stows the connector for storage or travel.

Your Personal Style
The C008 is conveniently designed with a strap hole so that one can easily loop a string through and connect to a keychain or a mobile phone.

Graceful and Minimalist Design
The matte texture body is scratchproof and dirt-repellent. The C008 comes in an elegant shape and in two stylish color schemes. The simple curves of this series make fashion more comfortable than ever.

What's in the Box

- 1 x Adata C008 32GB Flash Drive
- 60-day Norton Internet Security trial card
- User manual
