Product Overview

Adata UV320 32Gb White & Green USB 3.0 Flash Drive (USB 2.0 backwards compatible), sliding push out USB connector, USB 3.0 read/write: 40/25 mb/sec, 55x19.5x10mm, support Linux, Mac OS, support free OStoGO + UFDtoGO + 60days trial Norton internet security

Specifications

About this product

The Adata UV320 32GB White and Green USB 3.0 Flash Drive provides convenient portable storage with USB 3.0 data transfer, USB 2.0 backwards compatibility and a sliding push-out USB connector that protects the connector when not in use. With read speeds up to 40 MB/sec and write speeds up to 25 MB/sec, it is suitable for transferring documents, photos, music and other everyday files. Buy now for a practical 32GB USB flash drive solution.

Overview Summary

Adata UV320 32GB USB 3.0 Flash Drive is a compact portable storage device designed for convenient file transfer and everyday data storage. Its USB 3.0 interface provides read speeds of up to 40 MB/sec and write speeds of up to 25 MB/sec, while USB 2.0 backwards compatibility allows it to work with compatible older USB ports.

The sliding push-out USB connector eliminates the need for a separate cap and provides a convenient way to protect the

connector when the drive is not connected. The 55 x 19.5 x 10 mm design makes the UV320 suitable for carrying between home, office and other locations.

The drive supports Linux and Mac OS systems and includes support for free OStoGO and UFDtoGO software, together with a 60-day trial of Norton Internet Security.

Performance tier: Everyday portable storage

Uses: File storage, document transfer, photo transfer, music storage, portable data backup

Overview

The UV320 features a sliding USB connector, which smoothly extends from the drive at the push of a thumb. The capless design eliminates the hassle of lost drive caps. It comes with a high speed USB 3.1 interface and provides diverse capacities ranging from 16GB to 128GB, enabling you to share faster and store more. Available in two color combinations - black/blue and white/green to express your personal style.

Description

The Adata UV320 is a 32GB USB flash drive designed to provide convenient portable storage for everyday computing needs. The drive combines a USB 3.0 interface with USB 2.0 backwards compatibility, allowing it to connect to compatible computers and devices using either interface.

With USB 3.0 read speeds of up to 40 MB/sec and write speeds of up to 25 MB/sec, the UV320 is designed for practical file transfers and storage. It can be used for carrying documents, photos, music and other compatible files between supported devices.

The sliding push-out USB connector is integrated into the drive design, removing the need for a separate connector cap. The compact 55 x 19.5 x 10 mm form factor makes the drive convenient to carry and use in everyday situations.

The Adata UV320 supports Linux and Mac OS systems. It also supports free OStoGO and UFDtoGO software, along with a 60-day trial of Norton Internet Security.

Features

The Adata UV320 combines portable storage, USB 3.0 connectivity and a practical connector design for everyday file management.

- 32GB storage capacity for everyday files and data
- USB 3.0 interface for fast data transfer
- USB 2.0 backwards compatible for use with compatible USB 2.0 ports
- Read speed up to 40 MB/sec
- Write speed up to 25 MB/sec
- Sliding push-out USB connector
- Compact 55 x 19.5 x 10 mm dimensions
- Supports Linux and Mac OS
- Supports free OStoGO software
- Supports free UFDtoGO software
- Includes support for a 60-day trial of Norton Internet Security

Quick-slide capless design

The USB connector is concealed in the compact body, fully protected without the need for a drive cap. A simple thumb swipe forward makes it ready to use, and the reverse motion stows the connector for storage or travel.

High speed USB 3.1 for efficient data transfer

ComX Computers

Product Specification Sheet

Thanks to USB 3.1, the UV320 delivers data in up to 5Gbps for convenience and efficiency from one super-compact device via simple plug n play. It's also backward compatible with USB 2.0.

Big capacity, convenient storage

The UV320 is available in 16GB to 128GB, allowing you to store thousands of documents, photos, songs, and movies - convenient for daily life and work.

An easy-go design with strap mount

For added safety and personalization, the UV320 includes a strap mount for attaching to your lanyard or keychain of choice.

Near universal compatibility

Listing the devices you can use the UV320 would take forever. PCs, tablets, smart TVs, in-car systems, game consoles, home entertainment systems, and many more.

Backup ToGo Smart Backup Software

Backup ToGo uses an algorithm to back all your data intelligently and with ease. Set your desired backup schedules and never worry about data loss again! What's more, Backup ToGo features a cloud backup function, which supports backup onto the cloud, local hard drives, and even on mobile devices. With Backup ToGo, users can enjoy a tool with an intuitive interface that makes data backup a snap!
