Specifications

About this product

The ADATA UV320 64GB USB 3.0 Flash Drive provides convenient portable storage with USB 3.0 read speeds of up to 90 MB/s and write speeds of up to 40 MB/s, while remaining backwards compatible with USB 2.0 devices. Its sliding push-out USB connector helps protect the connector when not in use, while support for Linux and Mac OS makes it suitable for a range of computers. Buy the ADATA UV320 64GB flash drive online today for convenient portable storage.

Overview Summary

ADATA UV320 64GB USB 3.0 Flash Drive is a compact portable storage device designed for convenient file transfer and everyday data storage. With 64GB of storage capacity and USB 3.0 connectivity, it delivers read speeds of up to 90 MB/s and write speeds of up to 40 MB/s according to the supplied product specifications.

The sliding push-out USB connector eliminates the need for a separate protective cap and provides a practical way to store

the connector when the drive is not being used. USB 2.0 backwards compatibility also allows the drive to connect with compatible USB 2.0 ports.

The ADATA UV320 measures 55 x 19.5 x 10 mm and supports Linux and Mac OS. Supplied software support includes OStoGO, UFDtoGO and a 60-day trial of Norton Internet Security, as stated in the supplied product information.

Performance tier: Everyday portable USB 3.0 storage

Uses: File storage, document transfer, photo storage, media transfer, portable data storage

Overview

The UV320 features a sliding USB connector, which smoothly extends from the drive at the push of a thumb. The capless design eliminates the hassle of lost drive caps. It comes with a high speed USB 3.1 interface and provides diverse capacities ranging from 16GB to 128GB, enabling you to share faster and store more. Available in two color combinations - black/blue and white/green to express your personal style.

Description

The ADATA UV320 64GB USB 3.0 Flash Drive is designed to provide portable storage for users who need a convenient way to carry and transfer digital files. Its 64GB capacity provides space for everyday documents, photos, media files and other compatible data.

USB 3.0 connectivity supports read speeds of up to 90 MB/s and write speeds of up to 40 MB/s based on the supplied specifications. The drive is also USB 2.0 backwards compatible, allowing it to be used with compatible systems that provide USB 2.0 ports.

The sliding push-out USB connector is integrated into the drive design, providing a practical alternative to a removable connector cap. The compact 55 x 19.5 x 10 mm dimensions make the UV320 suitable for carrying with a laptop, desktop computer or other compatible USB device.

Compatibility with Linux and Mac OS expands its suitability for different computing environments. The supplied product information also lists support for OStoGO, UFDtoGO and a 60-day trial of Norton Internet Security.

Features

The ADATA UV320 combines portable storage capacity, USB 3.0 connectivity and a practical sliding connector design for everyday file management and transfer.

- 64GB storage capacity: Provides portable space for documents, photos, media and other compatible files.
- USB 3.0 connectivity: Supports read speeds of up to 90 MB/s and write speeds of up to 40 MB/s according to the supplied specifications.
- USB 2.0 backwards compatible: Can be used with compatible USB 2.0 ports.
- Sliding push-out connector: The USB connector slides into the drive body when not in use.
- Compact design: Measures 55 x 19.5 x 10 mm for convenient portable use.
- Operating system support: Supports Linux and Mac OS according to the supplied product information.
- Software support: Supplied information lists OStoGO, UFDtoGO and a 60-day trial of Norton Internet Security.
- Black and blue design: Features a black and blue exterior.

Quick-slide capless design

The USB connector is concealed in the compact body, fully protected without the need for a drive cap. A simple thumb swipe forward makes it ready to use, and the reverse motion stows the connector for storage or travel.

High speed USB 3.1 for efficient data transfer

Thanks to USB 3.1, the UV320 delivers data in up to 5Gbps for convenience and efficiency from one super-compact device via simple plug n play. It's also backward compatible with USB 2.0.
