Ideal for professionals, students, and anyone who needs fast, portable data access - buy now and experience effortless storage on the go.

Performance tier:High-speed USB 3.2 Gen 1

Uses:File storage, data transfer, media backup, cross-device sharing, portable document storage

Overview:

Kingston DataTraveler Duo 128GB USB 3.2 Gen 1 Flash Drive

The Kingston DataTraveler Duo 128GB USB Flash Drive offers seamless compatibility with both USB Type-A and Type-C devices. Its dual interface and sleek, moving cap design make it a practical and stylish choice for users who need flexible storage across multiple devices.

Description:

The Kingston DataTraveler Duo combines high-speed USB 3.2 Gen 1 performance with a dual connector design, allowing effortless data transfer between laptops, smartphones, and tablets. With read speeds of up to 200 MB/s and capacities up to 256GB, it's ideal for quick file sharing, secure storage, and reliable everyday use.

Features:

Dual USB Connectivity

This flash drive includes both USB Type-A and Type-C connectors, making it easy to move data between older laptops and modern devices without needing adapters.

Smart Dual Moving Cap Design

The innovative dual sliding cap keeps both connectors protected when not in use, reducing the risk of dust or damage and eliminating the need for detachable caps.

Ample Storage Capacity

Available in sizes up to 256GB, the DataTraveler Duo offers plenty of room for transferring and storing large media files, documents, and backups.

High-Speed Performance

Experience quick file transfers with USB 3.2 Gen 1 technology, providing read speeds up to 200 MB/s for fast and efficient data access.

Key Details

- Model: Kingston DataTraveler Duo 128GB
- Part Number: DTDEG2/128GB
- Interface: USB 3.2 Gen 1
- Connectors: USB Type-A and Type-C
- Read Speed: Up to 200 MB/s

The Kingston DataTraveler Duo 128GB is the perfect companion for users who value convenience, durability, and performance in a compact, dual-interface flash drive.
