Overview:

Is your iPhone, iPad & iPod low on space? Free up space on your iPhone, iPad & iPod easily with Pqi iConnect. Pqi iConnect is equipped with an Apple certified Lightning interface that can be plugged into an iPhone, iPad & iPod directly. It helps you to quickly back up photos and videos and stores your precious memories, leaving your iPhone, iPad & iPod with enough space to capture exciting moments at all times! What's more, you can store your favorite movies, music, and files in iConnect and play them directly on an iPhone, iPad & iPod simply by plugging in iConnect. Media and files saved on iConnect won't occupy any of your iPhone, iPad & iPod's storage space, thereby satisfying your entertainment and work requirements at all times. iConnect is also equipped with a USB 3.0 interface for fast data transfer. Whether transferring data from your computer to your iPhone, iPad & iPod, or backing up iPhone, iPad & iPod data onto your computer, you can now effortlessly piece together every moment of your life with iConnect!

Features:

Treasure your memories

Your iPhone has already replaced your camera and DV, so you'll require iConnect to keep and categorize treasured memories. Simply plug iConnect into your iPhone or iPad to store and categorize pictures and videos into iConnect via the iConnect app.

Free up space

No more space? Don't want to miss out on anything but find it hard to let go? Then let iConnect help you store and organize to free up space quickly without the Internet, Wi-Fi, cloud, or iTunes. Plug and play iConnect to free up storage space on your iPhone or iPad.

Keep in touch

You will no longer need to worry about the sudden loss of contacts because iConnect keeps your address book safe. Plug in iConnect to back up the contacts stored on your phone. Recover your contacts through iConnect if you replace your phone or lose your contacts.

Product Specification Sheet

Instant gratification

Plug in iConnect to satisfy all your music and video cravings of the moment. Quickly preview files stored in iConnect with your iPhone or iPad and play all kinds of videos and music directly.

Happy sharing

Whether you are using an iPhone, iPad, or computer, iConnect makes it easier for you to share with others. Easily access and share data between an iPhone, iPad, and computer with an Apple certified Lightning / USB 3.0 dual interface flash drive.

Two-way high-speed data transfer

Achieve high-speed, two-way data transfer at 10 times the speed* with iConnect - easily transfer the photos, music, and videos stored in your iPhone and iPad to iConnect, or transfer photos, music, and videos from iConnect to your iPhone and iPad.

File encryption

To protect your data, the iConnect allows you to lock single or multiple files using a single encryption password. This not only protects your data stored in the iConnect, but also allows for faster access.

File compression

The iConnect can compress single or multiple files simultaneously. Compressing and backing up files gives you extra free space to store even more data on your iConnect!
