Switchcom Flylead - CAT6 - 5m - Yellow

Product Overview

Switchcom Flylead - CAT6 - 5m - Yellow

Specifications

Overview:

Introducing the Flylead CAT6 - 5m - yellow Ethernet cable. This high-quality cable is perfect for connecting your computer, gaming console, or other device to a router, modem, or network switch.

With a length of 5 meters, this cable offers greater flexibility than shorter cables, allowing you to connect devices that are located further apart from each other. The yellow color of the cable adds a touch of style to your setup, making it a great choice for home or office use.

The CAT6 technology of this cable provides fast and reliable data transmission, ensuring that you can enjoy smooth, uninterrupted access to the internet. The durable construction of the cable ensures that it can withstand daily use, making it a great investment for your home or office.

Order the Flylead CAT6 - 5m - yellow Ethernet cable today and take the first step towards a faster, more reliable internet connection.
