Overview:

Wanbo Tripod Floor Stand - White
Take your viewing experience to the next level with the Wanbo Floor Tripod Stand, a professional-grade accessory designed for stable and flexible projector placement. Perfect for movie nights, presentations, or any setting where adjustable projector positioning is needed, this stand combines reliability with sleek, modern design.

Description

This tripod stand supports projectors up to 2kg, with a maximum height of 170 cm and a minimum height of 60 cm. Its 3-section telescopic pole and 360-degree ball-head mount provide smooth rotation and tilt for precise projection. Built with a durable SPCC steel profile and triangular base, it ensures stability on any surface. Compact and portable, it folds down to just 58 cm for easy storage and transport. Compatible with multiple Wanbo projector models including New T2 Max, X2 Max, X2 Pro, T4, T6 Max, Mini, and Mini Pro.

Features:

Durable Construction for Reliable Support
Crafted from thickened SPCC steel, the tripod offers long-lasting strength while the triangular base design provides excellent stability. Whether used on carpet, tile, or uneven flooring, the stand maintains steady support, preventing wobbling or tipping. The white finish adds a modern touch that blends seamlessly with home or office decor.

Adjustable Height and Flexible Positioning
With a telescopic pole adjustable from 60 cm to 170 cm, you can easily set your projector at the perfect height. The 3-section design allows for precise adjustments, while the integrated 360-degree ball-head mount provides smooth rotation and tilt. This makes it easy to aim your projector at walls, screens, or ceilings for optimal viewing angles.

Compatible with a Range of Wanbo Projectors
This stand is designed for use with a wide selection of Wanbo projectors, including New T2 Max, X2 Max, X2 Pro, T4, T6 Max, Mini, and Mini Pro. Its universal mounting system ensures a secure fit and a clutter-free setup, giving you the flexibility to move and adjust your projector without hassle.

Compact Design for Easy Storage and Transport
When not in use, the tripod folds down to just 58 cm, making it simple to store or carry. Its lightweight yet sturdy construction makes it an ideal companion for both home and professional environments.
